Debra Marie Scott seems to have everything going for her. She has a stable job that she actually enjoys, a wonderful family, great friends, a string of admirers, and the eye of a tall dark stranger intent on claiming her for his own. Finding herself in a nightmare of constant break-ins, bizarre phone calls, and disturbing notes, she is eager to put a stop to the horror that has consumed her every waking hour. With the aid of the police and anxious family members and friends, she plans to catch the psychopath using his own game of deceit and harassment. She trains and learns karate, determined to prepare herself for the mental and physical ordeal she must go through. But just when she thinks she has the upper hand, she discovers the tall dark stranger is not her only enemy, but it is someone in a circle of people she calls friends. WHAT DO I DO WITH MY PAIN? Preparing for church on October 10, 2010, I was reminded of the ways in which I was being used by God in accomplishing HIS will. I am truly grateful, appreciative and remorseful all at the same time. Remorseful because I can remember a time I not only ran from God and what HE had to offer me, but I doubted HIS existence. Grateful because in

spite of me and my past, God still loved me [John 15:13] and wanted nothing but the best for me. Appreciative because God never stopped trying to reach me! In creating me for a purpose with a purpose, HE was persistent in HIS approach in making sure I receive my inheritance. Persistent to the point of revealing HIMSELF to me and allowing me to see myself through HIS eyes! My passion for God this day is nothing like I would have imagined. Great is my boldness of speech toward YOU, great is my glorying of YOU: I am filled with comfort, I am exceedingly joyful in all my tribulation. [2 Corinthians 7] Ordering my steps while rebuilding my confidence (trust, belief) and faith in HIM, God was training me to be fearless and teaching me to fight for the uplifting of the Kingdom. Finally, unselfishly yielding myself to HIM, HE gradually enlightened me to HIS plan for my life. Then I realized God was and is with me always as I gladly accepted my assignment in knowing God was deliberately putting me in situations [sending me in places where there was darkness to be HIS light]. Once I was in, God gave me no way out as HE forced me to stand and fight. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. [Romans 8:15] So, this is not a time for passivity! It is a time for all of God's children to join in Spirit as we connect to God's heart in fulfilling HIS will. Complete coverage for all models of your

John Peck, a quadruple amputee who has received a double arm transplant, at Walter Reed in 2017. Today, it was my honor to welcome John (HERO) to the Oval, with his wonderful wife Jessica. He also wrote a book that I highly recommend, Rebuilding Sergeant Peck."—President Donald Trump Marine Sgt. John Peck survived an IED during the War on Terror that left him with a traumatic brain injury, amnesia, and cost him his marriage. He survived another three years later, one that left him with three and a half limbs missing. He's one of only two living people to survive the flesh-eating fungus he contracted in recovery at Walter Reed, one that left him as a quadruple amputee. And that's only the beginning of his story. What followed was a recovery nothing short of miraculous. With resilience and the help of advocates like actor and philanthropist Gary Sinise, FOX's Jennifer Griffin, and Bill O'Reilly, John would use a specialized "Action Trackchair" wheelchair and a newly-built SmartHome to get a third lease on life. In 2016, Peck underwent a groundbreaking bilateral arm transplant, receiving two new arms. To date, the surgery has been

successful. Today, Peck is a motivational speaker, a philanthropist for veteran and wounded warrior causes, and is pursuing his lifelong dream of becoming a chef with the help of Chef Robert Irvine. From the lessons learned in a difficult childhood and as a homeless teenager, to dealing with depression in recovery, to learning how to chop with another man's arms, Rebuilding Sergeant Peck is Peck's account of an honest, visceral, and inspirational story that is truly unique.
