Microsimulation as a modelling tool in social sciences has increased in importance over the last few decades. Once restricted to a handful of universities and government departments, as a scientific field it has achieved a new dynamism during the last decade. As computing power increases and data

availability becomes more widespread, microsimulation models can be put to hitherto unprecedented uses. Edited by leading experts in the field, this book illustrates recent advances, methodologies and uses of socioeconomic microsimulation in social sciences around the world. It does so by analysing new grounds covered in microsimulation and exploring new applications in traditional fields. As such, the chapters - grouped into five sections: new methods and methodology; pensions; financial crisis and austerity measures; health; and poverty - present recent, innovative and challenging work in various fields that is not just relevant for those in that field, but that might also inspire scholars from the other disciplines to broaden their minds to new and exciting uses of this established methodology. small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham “This is an endearing romance that fans of Wanda Brunstetter will love.” —Publishers Weekly

With the arrival of a global economy, it has become more and more important that our population, both young and old, be aware of and respectful of other cultures. Whether it is an Hispanic first grader in New York City seeking information about her Puerto Rican heritage or a Los Angeles businessman inquiring about the customs of a client from China, it is the responsibility of information specialists to provide accurate references to answer these questions. Multicultural Acquisitions presents a multitude of ideas from contributors including graduate students, school media specialists, and authors that help librarians realize the importance of establishing collections that address multiculturalism. This informative book begins with a description of the philosophical basis of multiculturalism in libraries. It also examines ways to introduce multicultural materials at all levels of librarianship including the importance and problems of getting materials on our diverse populace into the hands of our youth, the availability of materials to students for research, and how the issue of multiculturalism is handled in training future librarians. Multicultural Acquisitions explores the historical relationship between libraries and minorities and its relationship to the current debate concerning multiculturalism in education. This book also discusses the resources

available on several specific individual cultural and subcultural groups. This book helps information specialists gain an awareness of multicultural materials and their importance in libraries at all levels--from children's services to university research libraries. Some of the insightful topics discussed include: promoting multicultural learning through children's literature incorporating multicultural literature in suburban public libraries the valuable but often-overlooked resource of U.S. government publications on ethnic studies building Hispanic collections in public libraries a comparative analysis of libraries in historically black colleges and universities developing a collection that meets the needs of students doing research in Native American studies a bibliography of the most significant books available on the history of women in the United States Multicultural Acquisitions presents a wide variety of topics to consider when approaching the subject of multiculturalism that will be invaluable to all types of libraries. By exploring the approaches that other libraries have used, information specialists can implement their own strategies for developing collections that meet the diverse needs of multicultural patrons and patrons desiring access to a wider range of ethnic materials. This was supposed to be the best summer of Maggie's life. Now it's the one she'd do anything to forget. Maggie Reynolds remembers hanging out at the gorge with her closest friends after a blowout party the night before. She remembers climbing the trail hand in hand with her perfect boyfriend, Joey. She remembers that last kiss, soft, lingering, and meant to reassure her. So why can't she remember what happened in the moment before they were supposed to dive? Why was she left cowering at the top of the cliff, while Joey floated in the water below—dead? As Maggie's memories return in snatches, nothing seems to make sense. Why was Joey acting so strangely at the party? Where did he go after taking her home? And if Joey was keeping these secrets, what else was he hiding? McBride delivers a novel of secrets that packs an emotional punch, perfect for fans of Sara Zarr and Gayle Forman. Gregg Tuskins works for the Smithsonian Institute for the National Museum of America when he
discovers this very old artifact from the late 1800s—a very old book with detailed information about
some strange and weird doorway inside an old abandoned mine shaft—but the map is so old that they
have to figure where the location of this place is. One of the places it mentions about is the Muddy
Mountains up in the state of Wyoming nearby Rawlins, Wyoming, but Pete Ashcraft hires Vincent
Doreance as he is trying to stop Gregg Tuskins from discovering this old doorway as Vincent
Doreance has murdered people that have been getting too close in trying to find this old abandoned
mine shaft. Some of the weird and strange things started back when the mine shaft was discovered
back in the late 1800s. This also probably caused the death of a miner that caused the shaft to become
abandoned until now. The Slaughter House Gulch Ghost has been haunting the trail that the miners
once used to travel back and forth from their camp to the mine shaft, and they end up discovering this
doorway deep inside this old abandoned mine shaft that was closed down around one hundred years
ago as this doorway is strange and weird looking as it doesn't look like it was created by earthlings as
it has green tint in different areas on this doorway as the dark transparent is too dark to see through.
The mysterious doorway has held secrets of an ancient alien race for over one hundred years as they
expedition is about to discover what lies behind the green door. The basic text for Alcoholics

Grayson's friend, Alex, needs an operation to fix his twisted foot. Then Alex could run fast, like the other boys on their baseball team. But Alex's family doesn't have the money for an operation. The Butte des Morts Lion's Club is raising money for Alex, but it's taking a long time. Grayson is impatient for his friend's foot to be better. He's impatient, too, for his dad to finish building their new garage, so he can play in it. Then, work on the garage stops after some bones are dug up that might be historical. Just when Grayson thinks he can't be patient any longer, his quirky new animal friends help dig up something else in the yard that might be worth a lot of money. Now, Grayson must make a decision. He can help Alex. Or, he can buy a new video game system, like his older cousin has. Which will he choose?
