Grace Under Fire Jan 17 2020 Grace Hardwick is willing to kill to get home to her family. Tom is a physically-challenged veteran using a tracked wheelchair outfitted with gun mounts. Together, they must brave their way across a hostile, dystopian landscape to reach her family's home.

Wolves Oct 18 2022 They took everything—killed his wife, enslaved his daughter, destroyed his life. Now he's a man with nothing left to lose ... and that's what makes him so dangerous. Ten years after the collapse, Huxley had built a good life again. He had a loving wife, a farm with fields of golden barley, and a daughter with a strange and wonderful gift. Then the slavers came. Working out in the fields during the attack, Huxley returns too late. His daughter has been taken and his wife is bleeding out, her last whispered words about a man with a scorpion tattoo on his neck. Where do the slavers go? Huxley has no idea. He only knows that they headed east and so will he, setting out on foot across the desert of the Wastelands. Eighteen months into his journey, he has no hope of ever seeing his daughter alive. Dying of thirst in the open desert, he doesn't even expect to see another day. Then a man appears out of the desert and offers Huxley water from his canteen, an unheard of kindness in these savage times. Jay is an odd man, full of violence and guided by his hatred of the slavers, but he helps Huxley survive. And he gives Huxley a new purpose: nothing can bring back the dead, but we can chase down the slavers and make them bleed. Together, Huxley and Jay carve a path of destruction across the remains of a once-great land. The slavers are brutal, but they have no idea what's coming for them. Huxley has found something to live for again: blood and vengeance. In his most powerful work yet, New York Times bestselling author D. J. Molles delivers a carefully woven novel of violence and redemption, bringing to life a devastating portrait of a man pushed to the edge of his own humanity.

The Remaining: Refugees May 21 2020 He has fought the fight, and run the race. But the enemies never stop coming, and the race has no finish line. It has been three months since Captain Lee Harden found the survivors at Camp Ryder. With winter looming, Lee is on the verge of establishing Camp Ryder as a hub of safety and stability in the region. But not everyone agrees with Lee's mission...or his methods. Growing tensions between camp leadership are coming to a head, and as Lee struggles amid the dissent and controversy, new revelations about the infected threaten to destroy everything he has worked for. Earth Afire Mar 11 2022 One hundred years before *Ender's Game*, the aliens arrived on Earth with fire and death. This is the story of the First Formic War. Victor Delgado beat the alien ship to Earth, but just barely. Not soon enough to convince skeptical governments that there was a threat. They didn't believe that until space stations and ships and colonies went up in sudden flame. And when that happened, only Mazer Rackham and the Mobile Operations Police could move fast enough to meet the threat. Fans of *Ender's Game* will thrill to Orson Scott Card and Aaron Johnston's *Earth Afire*. Princess of Thorns Jul 23 2020 After ten years of exile among fairies who teach her to use her magically-enhanced strength and courage, Sleeping Beauty's daughter Aurora enlists the help of Niklaas, eleventh son of King Eldorio, in the fight to reclaim her throne.

Sons of War Nov 14 2019 Out of the embers, a lawless new empire will rise ... Across the world, the United States recalls troops to combat civil unrest after the biggest economic meltdown in history. Marine Sergeant Ronaldo Salvatore's platoon comes home to a powder keg that could ignite a civil war. While some see the coming collapse as the end, others see opportunity. Fleeing Naples after rival crime lords decimated his family, Don Antonio Moretti settles in Los Angeles to rebuild his criminal empire. But he is far from alone in his ambitions--the cartel and rival gangs all want the same turf, and they will sacrifice their own soldiers and the blood of innocents to get it. As open warfare erupts across the states, Salvatore fights his way back to LA, where his son has joined the police in the battle for a city spiraling into anarchy. Family is everything, and the Morettis and Salvatores will do what they must to protect their own. But how far will they go to survive in a new economy where the only currency is violence?

FantasticLand May 13 2022 Since the 1970s, *FantasticLand* has been the theme park where "Fun is Guaranteed!" But when a hurricane ravages the Florida coast and isolates the park, the employees find it anything but fun. Five weeks later, the authorities who rescue the survivors encounter a scene of horror. Photos soon emerge online of heads on spikes outside of rides and viscera and human bones littering the gift shops, breaking records for hits, views, likes, clicks, and shares. How could a group of survivors, mostly teenagers, commit such terrible acts? Presented as a fact-finding investigation and a series of first-person interviews, *FantasticLand* pieces together the grisly series of events. Park policy was that the mostly college-aged employees surrender their electronic devices to preserve the authenticity of the *FantasticLand* experience. Cut off from the world and left on their own, the teenagers soon form rival tribes who viciously compete for food, medicine, social dominance, and even human flesh. This new social network divides the ravaged dreamland into territories ruled by the Pirates, the ShopGirls, the Freaks, and the Mole People. If meticulously curated online personas can replace private identities, what takes over when those constructs are lost? *FantasticLand* is a modern take on *Lord of the Flies* meets *Battle Royale* that probes the consequences of a social civilization built online. Skyhorse Publishing, as well as our *Arcade*, *Yucca*, and *Good Books* imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Santas Sep 17 2022 There's a lot you don't know about Santa. Santa's helpers don't always dispose of bodies, but that's what Tucker Smith is doing right now. Specifically, the body of his own Santa--one of thousands worldwide--who was just murdered in an apparent random act of violence. Now, Tucker will have to somehow manage to deliver Christmas to his assigned region, while he struggles to patch things up with his family, all while training the replacement sent to him by The Organization, and trying to uncover the mystery of who killed Santa. And there's only 5 days left until Christmas.

The Remaining: Fractured Nov 19 2022 This is the destiny of those who stand for others. Their honor will be bought in blood and pain. The Camp Ryder Hub is broken. Lee is nowhere to be found, and his allies are scattered across the state, each of them learning that their missions will not be as easy as they thought. Inside the walls of Camp Ryder, a silent war is brewing, between those few that still support Lee's vision of rebuilding, and the majority that support Jerry's desire for isolation. But this war will not remain silent for long. And in this savage world, everyone will have to make a choice. To keep their morals. Or keep their lives. This is the fourth novel in D.J. Molles's bestselling series: Book 1: *The Remaining* Book 2: *The Remaining: Aftermath* Book 3: *The Remaining: Refugees* Book 4: *The Remaining: Fractured* Novella 1: *The Remaining: Trust* Novella 2: *The Remaining: Faith*

Extinction Horizon Jun 02 2021 USA Today bestseller Nicholas Sansbury Smith's first book in his thrilling post-apocalyptic series about one man's mission to save the world. Master Sergeant Reed Beckham has led his Delta Force Team, codenamed Ghost, through every kind of hell imaginable and never lost a man. When a top secret Medical Corps research facility goes dark, Team Ghost is called in to face their deadliest enemy yet--a variant strain of Ebola that turns men into monsters. After barely escaping with his life, Beckham returns to Fort Bragg in the midst of a new type of war. As cities fall, Team Ghost is ordered to keep CDC virologist Dr. Kate Lovato alive long enough to find a cure. What she uncovers will change everything. Total extinction is just on the horizon, but will the cure be worse than the virus? Extinction is just on the horizon... Start reading the book that D. J. Molles said "delivers unrelenting unmerciful action" before it's too late! *The Extinction Cycle*: Book 1: *Extinction Horizon* Book 2: *Extinction Edge* Book 3: *Extinction Age* Book 4: *Extinction Evolution* Book 5: *Extinction End* Book 6: *Extinction Aftermath* Book 7: *Extinction War*

Sleep Disorders and Sleep Deprivation Mar 19 2020 Clinical practice related to sleep problems and sleep disorders has been expanding rapidly in the last few years, but scientific research is not keeping pace. Sleep apnea, insomnia, and restless legs syndrome are three examples of very common disorders for which we have little biological information. This new book cuts across a variety of medical disciplines such as neurology, pulmonology, pediatrics, internal medicine, psychiatry, psychology, otolaryngology, and nursing, as well as other medical practices with an interest in the management of sleep pathology. This area of research is not limited to very young and old patients--sleep disorders reach across all ages and ethnicities. *Sleep Disorders and Sleep Deprivation* presents a structured analysis that explores the following: Improving awareness among the general public and health care professionals. Increasing investment in interdisciplinary somnology and sleep medicine research training and mentoring activities. Validating and developing new and existing technologies for diagnosis and treatment. This book will be of interest to those looking to learn more about the enormous public health burden of sleep disorders and sleep deprivation and the strikingly limited capacity of the health care enterprise to identify and treat the majority of individuals suffering from sleep problems.

Tier 1000 Apr 19 2020 Ragnar Beck only wanted one thing out of a life-the chance to soldier. In a war for the survival of the last continent untouched by the invader, Beck finally gets his shot to prove he's a combat warrior. As the battle unfolds and the only choice is to fight to the bitter end, he performs like the soldier he was raised to be, leaving no enemy standing on the last battleground he'll ever see. Or is it? Resurrected into an afterlife where he must prove his worth to join the ranks of an ultra-elite tasked with becoming the greatest warriors to ever exist, he asks himself the only question a real soldier can-who's gonna stop me? Beck's struggle to make the grade is as important as his quest to discover who he fights for and why. Part mystery, part alternate history, all action thriller, *Tier 1000* is the story of a determined warfighter and the battlefields from the past to the far-flung future that forge him into the Ultimate soldier.

The Collected Stories of Arthur C. Clarke Feb 27 2021 Six decades of fascinating stories from the legendary “colossus of science fiction” and creator of 2001: A Space Odyssey gathered in one compendium (The New Yorker). Arthur C. Clarke, along with H. G. Wells, Isaac Asimov, and Robert A. Heinlein, was a definitive voice in twentieth century science fiction. A prophetic thinker, undersea explorer, and “one of the true geniuses of our time,” Clarke not only won the highest science fiction honors, the Nebula and Hugo Awards, but also received nominations for an Academy Award and the Nobel Peace Prize, and was knighted for his services to literature (Ray Bradbury). Now, more than one hundred works of the sci-fi master’s short fiction are available in the “single-author collection of the decade” (Booklist, starred review). This definitive edition includes early work such as “Rescue Party” and “The Lion of Comarre,” classics like “The Nine Billion Names of God” and “The Sentinel” (which was the kernel of the later novel and movie, 2001: A Space Odyssey), and later works including “A Meeting with Medusa” and “The Hammer of God.” Encapsulating one of the great science fiction careers of all time, this immense volume “displays the author’s fertile imagination and irrepressible enthusiasm for both good storytelling and impeccable science” (Library Journal). “One of the most astounding imaginations ever encountered in print.” —The New York Times “As his Collected Stories helps to demonstrate, there has been no popular writer since the days of C S Lewis and Charles Williams whose disposition is more nakedly apocalyptic, who takes greater pleasure in cradling eternity in the palm of his hand.” —The Guardian

The Competition Sep 24 2020 After an EMP attack by a rogue nation plunges the west coast into darkness, high school math teacher Jack Goodson has two objectives: First, he must get his students home safely from their hundred-mile field trip. Second, he must travel another thirty-five miles to reunite with his own family. In order to do this, Jack and his students must navigate increasingly treacherous terrain filled with desperate people, street gangs and those wanting to take advantage of the chaos. Back home, Jack's wife, Eve, is forced to gather her loved ones and resources and jump into action. With limited knowledge of what her husband has stashed away and a neighborhood filled with reluctant neighbors, their survival is certainly in question. Can the terrified math teacher reunite his students with their families and reconnect with his wife and kids in a new and dangerous world?

The Fold May 01 2021 A page-turning science-fiction thriller from the author of Paradox Bound and the Ex-Heroes series. Step into the fold. It's perfectly safe. The folks in Mike Erikson's small New England town would say he's just your average, everyday guy. And that's exactly how Mike likes it. Sure, the life he's chosen isn't much of a challenge to someone with his unique gifts, but he's content with his quiet and peaceful existence. That is, until an old friend presents him with an irresistible mystery, one that Mike is uniquely qualified to solve: far out in the California desert, a team of DARPA scientists has invented a device they affectionately call the Albuquerque Door. Using a cryptic computer equation and magnetic fields to “fold” dimensions, it shrinks distances so that a traveler can travel hundreds of feet with a single step. The invention promises to make mankind’s dreams of teleportation a reality. And, the scientists insist, traveling through the Door is completely safe. Yet evidence is mounting that this miraculous machine isn’t quite what it seems—and that its creators are harboring a dangerous secret. As his investigations draw him deeper into the puzzle, Mike begins to fear there’s only one answer that makes sense. And if he’s right, it may only be a matter of time before the project destroys...everything. A cunningly inventive mystery featuring a hero worthy of Sherlock Holmes and a terrifying final twist you’ll never see coming, The Fold is that rarest of things: a genuinely page-turning science-fiction thriller.

No Way Nov 26 2020 In the sequel to the terrifying science fiction thriller, One Way, returning home from Mars may mean striking a deal with the very people who abandoned him. They were sent to build a utopia, but all they found on Mars was death. Frank Kitteridge has been abandoned. But XO, the greedy -- and ultimately murderous -- corporate architects of humanity's first Mars base made a costly mistake when they left him there: they left him alive. Using his skills and his wits, he's going to find a way back home even if it kills him. Little does he know that Mars isn't completely empty. Just over the mountain, there's another XO base where things are going terribly, catastrophically wrong. And when the survivors of that mission find Frank, they're going to want to take even the little he has away from him. If there's anything in Frank's favor, it's this: he's always been prepared to go to the extremes to get the job done. That's how he ended up on Mars in the first place. It just might be his ticket back. For more from S. J. Morden, check out: One Way

The Remaining: Allegiance Jun 14 2022 This is the fifth, never-before-published, novel in the action-packed series following Special Forces Captain Lee Harden and a group of survivors struggling to survive while rebuilding an America devastated by a bacterium that has turned 90% of the population into a ravenous horde. Through an overwhelming storm of pain and adversity Captain Lee Harden has fought and survived. But his mission continues. Recovering from his wounds, mental and physical, he must rally his companions at Camp Ryder and push back against the still swarming hordes of the infected that threaten to extinguish an already devastated society.

Johnny Apr 12 2022 Aubrey St. James is in trouble. She's locked in a cell at a government black site. She doesn't know where that site is or how the hell she got there. But she knows that it has something to do with the stranger she rescued from the river. Someone - or something - called Johnny. Saul Tarson knows that the thing he's locked up is dangerous, because it left a trail of six dead cops in its wake, all killed in a way that defies explanation. It is Saul's sworn duty to get to the truth about Johnny before more people die - a lot more. All Johnny wants is to return home. But he has a mission to fulfill first. And what he does in the next 20 hours will either save mankind - or bring it to its knees.

Plague of the Dead Dec 28 2020 The Morningstar virus. Those infected suffer delirium, fever, violent behaviour ... and a hundred per cent mortality rate. But that's not the worst of it. The victims return from the dead to walk the earth. And when a massive military operation fails to contain the plague of the living dead, it escalates into a worldwide pandemic. On one side of the world, thousands of miles from home, a battle-hardened general surveys the remnants of his command: a young medic, a veteran photographer, a rash private, and dozens of refugees -- all of them his responsibility. Meanwhile in the United States, an army colonel discovers the darker side of Morningstar and collaborates with a well-known journalist to leak the information to the public...

The Great Martian War Mar 31 2021 Following the defeat of the Martian invasion of Britain, a new threat to humanity lands in the American west. President Roosevelt musters the captains of industry and leading scientists to find a way to turn back the Martian tide

The Dry Forests and Woodlands of Africa Aug 24 2020 The dry forests and woodlands of Sub-Saharan Africa are major ecosystems, with a broad range of strong economic and cultural incentives for keeping them intact. However, few people are aware of their importance, compared to tropical rainforests, despite them being home to more than half of the continent's population. This unique book brings together scientific knowledge on this topic from East, West, and Southern Africa and describes the relationships between forests, woodlands, people and their livelihoods. Dry forest is defined as vegetation dominated by woody plants, primarily trees, the canopy of which covers more than 10 per cent of the ground surface, occurring in climates with a dry season of three months or more. This broad definition - wider than those used by many authors - incorporates vegetation types commonly termed woodland, shrubland, thicket, savanna, wooded grassland, as well as dry forest in its strict sense. The book provides a comparative analysis of management experiences from the different geographic regions, emphasizing the need to balance the utilization of dry forests and woodland products between current and future human needs. Further, the book explores the techniques and strategies that can be deployed to improve the management of African dry forests and woodlands for the benefit of all, but more importantly, the communities that live off these vegetation formations. Thus, the book lays a foundation for improving the management of dry forests and woodlands for the wide range of products and services they provide.

The Last Resort Jan 29 2021 The zombies have been banished for almost a year now, and Adrian Ring's greatest threats are starvation, and strangers. He can feed both problems away, but a full belly doesn't always lead to trust. With the Northern Valley Cooperative shored up as allies, the future looks bright for Adrian and his family at Bastion. They've added tanks, machine guns, a helicopter, and a hundred trained National Guardsmen to their assets on hand. But why is Adrian so uneasy? Why are the refugees from overseas coming in such large droves? Why are they so hungry, and afraid? Why are they so happy to find the Trinity on foreign shores? Because they left the scourge behind. At least, they thought they left it behind. Humanity's plague returns, and when it does, alliances old and new are put to the test, and the world is upended yet again. The Last Resort contains Adrian's Journal entries from December 3rd, 2013 through June 7th, 2014. It also contains the side fictions, Steve Goes to the City, The Only Easy Day, The Last Plane out of Kandahar, The Citadel, Terrible Things in Your Name, and Just Me.

Hell Divers VII: Warriors Dec 16 2019 The New York Times and USA Today bestselling series While the Hell Divers cross an ocean to battle the machines, an old flesh-and-blood threat returns to the islands. The mission to Rio de Janeiro ended in victory, but it came at a dire cost, killing most of those who set out to rescue the stranded survivors. Even worse, the skinwalkers' leader, Horn, escaped with his demonic crew and is coming to take the throne. Back at the Vanguard Islands, King Xavier Rodriguez has been severely injured in another battle to protect the kingdom. Now an infection threatens to kill the one man who can keep the peace. As he fights for survival, new intel from Rio de Janeiro gives humanity hope of destroying the biggest threat of all: the machines—if the machines don’t find the Vanguard Islands first.

The Remaining Feb 22 2023 The first volume in D.J. Molles's bestselling series, now in a special edition with the bonus novella The Remaining: Trust. In a steel-and-lead encased bunker a Special Forces soldier waits on his final orders. On the surface a bacterium has turned 90% of the population into hyper-aggressive predators. Now Captain Lee Harden must leave the bunker and venture into the wasteland to rekindle a shattered America.

The Explorers Guild Oct 06 2021 Return to the golden age of adventure with this gorgeously wrought, action-packed, globetrotting tale that combines the bravura storytelling of Kipling with the irresistible, illustrative style of Hergé's Adventures of Tintin. Behind the staid public rooms of an old world gentlemen's club operates a more mysterious organization: The Explorers Guild, a clandestine group of adventurers who bravely journey to those places in which light gives way to shadow and reason is usurped by myth. The secrets they seek are hidden in mountain ranges and lost in deserts, buried in the ocean floor and lodged deep in polar ice. The aim of The Explorers Guild: to discover the mysteries that lie beyond the boundaries of the known world. This beautifully produced combination graphic novel and adventure tale, set against the backdrop of World War I, concerns the Guild's quest to find the golden city of Buddhist myth. The search will take them from the Polar North to the Mongolian deserts, through the underground canals of Asia to deep inside the Himalayas, before the fabled city finally divulges its secrets and the globe-spanning journey plays out to its startling conclusion. “With its colorful cast, exotic locales, and intertwined fates, the book slowly addicts. A rousing throwback whose spinning plates never stop, even at the end,” (Kirkus Reviews), The Explorers Guild is perfect for fans of the adventures of J.J. Abrams and C.S. Lewis.

The Killing Line Oct 14 2019 Gabriel Garrett has faced many challenges. The battlefields of Iraq and Afghanistan, the CIA, several years as a mercenary, and the end of the world among them. But now he faces a challenge none of his training, expertise, or combat experience have prepared him for: fatherhood. With a new family and new responsibilities, Gabriel decides to leave Hollow Rock and start over in the growing city of Colorado Springs. It is here he believes he can finally leave behind the violence that has always followed him and begin a new chapter in his life. But to get there, he will have to cross the vastness of the American plains, and in a world where the dead walk the earth, no journey is ever easy. When his caravan is ransacked, Gabriel, his stalwart friends Eric Riordan and Caleb Hicks, and his new family are forced to endure the dangers of the post-Outbreak world on their own. It is here they will face marauders, criminal organizations, corrupt government officials, starvation, and every other danger the wastelands can throw at them. To survive, they will have to rely on all their courage, resourcefulness, and will to fight. And most importantly, they will have to rely on each other.

Extinction Shadow Feb 16 2020 The top-rated hit series that sold a half-million copies returns in the next season of the Extinction Cycle. Welcome to the Dark Age. Survivors thought the extinction cycle ended, but a powerful evil lurks in the shadows... Eight years ago, an engineered virus ravaged the globe, infecting and transforming humans into apex predators called Variants. Billions died, civilization collapsed, and the human race teetered on the brink of extinction. Nations banded together and heroes rose up to fight these abominations. On the front lines, Captain Reed Beckham and Master Sergeant Joe "Fitz" Fitzpatrick of Delta Force Team Ghost fought against the Variant hordes. With the aid of CDC Doctor Kate Lovato, they helped lead humanity to victory. Now, almost a decade after the end of the war, civilization has slowly clawed toward recovery. In the Allied States of America, survivors live in outposts where they have rebuilt industry, agriculture, and infrastructure. The remaining Variants are believed to be dying off under destroyed cities and the abandoned frontier. But evil and intelligent forces dwell in the shadows with the starving beasts, scheming to restart the extinction cycle and end humanity forever. And once again, Beckham, Fitz, and Kate will rise to fight them, joining forces with new heroes to try and save what's left of the world. **READER NOTE:** You don't have to read the first 7 books of the Extinction Cycle to jump into Book 1 of Extinction Cycle: Dark Age. This new season is a self-contained storyline. For returning readers, this book takes place after book 7, Extinction War.

The Remaining: Aftermath Jan 21 2023 To Captain Lee Harden, the mission to rescue his countrymen and rebuild the nation seems like a distant memory. Wounded and weaponless, he has stumbled upon a group of survivors who may be his last hope. But a tragedy in the group causes a deep rift and forces him into action. And in the chaos of a world overrun by infected, Lee is pursued by a new threat: someone who will stop at nothing to keep him from his sworn duty.
