Queen of the Pale Nov 26 2020 The civil war is over. The battle for the crown is about to begin. Three years ago, Rohen Velis was on the losing side of a long and brutal war for the White Throne. An orphan without a silver to his name, he had nothing-except the forbidden love of Delaryn Whitefeather, the beautiful daughter of the Usurper King. Rohen joined her father's army and fought valiantly in her defense, but the fate of the revolution had already been written. The Usurper was executed, Delaryn was taken as a prize by her conqueror, and Rohen was offered a bitter choice: hang in the gallows with the rest of the traitors or seek redemption in service of the Templar, the hallowed guardians of the realm. Either way, he would never see Delaryn again. But now, as the kingdom licks its wounds from the last war, a new threat has emerged in the north. A horde of Godcursed monsters called the Chol are flooding out of the mountains in greater numbers than ever before, and the Templar are the only ones capable of fighting back the dark tide. When Rohen rides to the front lines to join the rightful king's army, he learns that Delaryn is still alive-and that she has been forced to wed the very man who slaughtered her family and stole her away. Caught between his duty to the Templar and his love of the queen, Rohen must sacrifice everything to defend her one last time. *QUEEN OF THE PALE* is a dark fantasy epic filled with courtly intrigue, pulse-pounding action, and desperate, forbidden sex (58,000 words)

George Washington's Socks Feb 10 2022 In the midst of an innocent lakeside campout, five modern-day children are transported back into the time of George Washington. Humorous, historical fiction that middle graders will enjoy.

Fade Oct 26 2020 IT IS THE summer of 1938 when young Paul Moreaux discovers he can "fade." First bewildered, then thrilled with the power of invisibility, Paul experiments. But his "gift" soon shows him shocking secrets and drives him toward a chilling act. "Imagine

what might happen if Holden Caulfield stepped into H. G. Wells' *The Invisible Man*, and you'll have an idea how good *Fade* is. . . . I was absolutely riveted."—Stephen King
Meet Addy Dec 20 2022 In 1864, after her father and brother are sold to another owner, nine-year-old Addy Walker and her mother escape from their cruel life as slaves in North Carolina to freedom in Philadelphia.

The War That Forged a Nation Mar 31 2021 More than 140 years ago, Mark Twain observed that the Civil War had "uprooted institutions that were centuries old, changed the politics of a people, transformed the social life of half the country, and wrought so profoundly upon the entire national character that the influence cannot be measured short of two or three generations." In fact, five generations have passed, and Americans are still trying to measure the influence of the immense fratricidal conflict that nearly tore the nation apart. In *The War that Forged a Nation*, Pulitzer Prize-winning historian James M. McPherson considers why the Civil War remains so deeply embedded in our national psyche and identity. The drama and tragedy of the war, from its scope and size--an estimated death toll of 750,000, far more than the rest of the country's wars combined--to the nearly mythical individuals involved--Abraham Lincoln, Robert E. Lee, Stonewall Jackson--help explain why the Civil War remains a topic of interest. But the legacy of the war extends far beyond historical interest or scholarly attention. Here, McPherson draws upon his work over the past fifty years to illuminate the war's continuing resonance across many dimensions of American life. Touching upon themes that include the war's causes and consequences; the naval war; slavery and its abolition; and Lincoln as commander in chief, McPherson ultimately proves the impossibility of understanding the issues of our own time unless we first understand their roots in the era of the Civil War. From racial inequality and conflict between the North and South to questions of state sovereignty or the role of government in social change--these issues, McPherson shows, are as salient and controversial today as they were in the 1860s. Thoughtful, provocative, and authoritative, *The War that Forged a Nation* looks anew at the reasons America's civil war has remained a subject of intense interest for the past century and a half, and affirms the enduring relevance of the conflict for America today.

Grace's Letter to Lincoln Sep 17 2022 Eleven-year-old Grace write to Abraham Lincoln advising him to grow a beard

The Things They Carried Aug 04 2021 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

All Out War: The Full Story of How Brexit Sank Britain's Political Class Sep 05 2021

SHORTLISTED FOR THE ORWELL PRIZE 2017 #1 SUNDAY TIMES BESTSELLER
'The best political book of the year' Andrew Marr 'A superb work of storytelling and reporting. Sets new benchmark for the writing of contemporary political history' Guardian
The only book to tell the full story of how and why Britain voted to leave the EU.

The Guns of the South Jul 03 2021 "It is absolutely unique--without question the most fascinating Civil War novel I have ever read." Professor James M. McPherson Pulitzer Prize-winning BATTLE CRY OF FREEDOM January 1864--General Robert E. Lee faces defeat. The Army of Northern Virginia is ragged and ill-equipped. Gettysburg has broken the back of the Confederacy and decimated its manpower. Then, Andries Rhodie, a strange man with an unplaceable accent, approaches Lee with an extraordinary offer. Rhodie demonstrates an amazing rifle: Its rate of fire is incredible, its lethal efficiency breathtaking--and Rhodie guarantees unlimited quantities to the Confederates. The name of the weapon is the AK-47.... Selected by the Science Fiction Book Club A Main Selection of the Military Book Club

Pink and Say Nov 19 2022 When Sheldon Russell Curtis told this story to his daughter, Rosa, she kept every word in her heart and was to retell it many times. I will tell it in Sheldon's own words as nearly as I can. He was wounded in a fierce battle and left for dead in a pasture somewhere in Georgia when Pinkus found him. Pinkus' skin was the color of polished mahogany, and he was flying Union colors like the wounded boy, and he picked him up out of the field and brought him to where the black soldier's mother, Moe Moe Bay, lived. She had soft, gentle hands and cared for him and her Pink. But the two boys were putting her in danger, two Union soldiers in Confederate territory! They had to get back to their outfits. Scared and uncertain, the boys were faced with a hard decision, and then marauding Confederate troops rode in. In this Civil War story passed from great-grandfather to grandmother, to son, and finally to the author-artist herself, Patricia Polacco once again celebrates the shared humanity of the peoples of this world.

The Hundred Years War Feb 27 2021 What life was like for ordinary French and English people, embroiled in a devastating century-long conflict that changed their world The Hundred Years War (1337-1453) dominated life in England and France for well over a century. It became the defining feature of existence for generations. This sweeping book is the first to tell the human story of the longest military conflict in history. Historian David Green focuses on the ways the war affected different groups, among them knights, clerics, women, peasants, soldiers, peacemakers, and kings. He also explores how the long war altered governance in England and France and reshaped peoples' perceptions of themselves and of their national character. Using the events of the war as a narrative thread, Green illuminates the realities of battle and the conditions of those compelled to live in occupied territory; the roles played by clergy and their shifting loyalties to king and pope; and the influence of the war on developing notions of government, literacy, and education. Peopled with vivid and well-known characters--Henry V, Joan of Arc, Philippe the Good of Burgundy, Edward the Black Prince, John the Blind of Bohemia, and many others--as well as a host of ordinary individuals who were drawn into the struggle, this absorbing book reveals for the first time not only the Hundred Years War's impact on warfare, institutions, and nations, but also its true human cost.

American Antislavery Writings: Colonial Beginnings to Emancipation Apr 12 2022 For

the 150th anniversary of the Emancipation Proclamation, here is a collection of writings that charts our nation's long, heroic confrontation with its most poisonous evil. It's an inspiring moral and political struggle whose evolution parallels the story of America itself. To advance their cause, the opponents of slavery employed every available literary form: fiction and poetry, essay and autobiography, sermons, pamphlets, speeches, hymns, plays, even children's literature. This is the first anthology to take the full measure of a body of writing that spans nearly two centuries and, exceptionally for its time, embraced writers black and white, male and female. Benjamin Franklin, Thomas Paine, Phillis Wheatley, and Olaudah Equiano offer original, even revolutionary, eighteenth century responses to slavery. With the nineteenth century, an already diverse movement becomes even more varied: the impassioned rhetoric of Frederick Douglass and William Lloyd Garrison joins the fiction of Harriet Beecher Stowe, Louisa May Alcott, and William Wells Brown; memoirs of former slaves stand alongside protest poems by John Greenleaf Whittier, Henry Wadsworth Longfellow, and Lydia Sigourney; anonymous editorials complement speeches by statesmen such as Charles Sumner and Abraham Lincoln. Features helpful notes, a chronology of the antislavery movement, and a 16-page color insert of illustrations.

The Red Cross in Peace and War Jun 21 2020 "The Red Cross in Peace and War" by Clara Barton. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Passage to Freedom Jan 29 2021 "Listening to the story is even more dramatic than reading it. It should be purchased by every public and school library." - School Library Journal

Lullabies for Lieutenants Jul 23 2020 Capturing the chaotic nature of the U.S. Marine experience at war in Vietnam, this memoir recounts the experiences of a young officer in a series of unrelated short pieces. In a narrative as fragmented as the war itself, the only resolution is the same one reached by the Marines who fought—the conclusion of a tour of duty with no happy ending. Each chapter describes a specific event, a story of emotion, or a remarkable person (some are heroes, some are cowards). The reader lives the experience alongside the author, gaining a true sense of the pulse-pounding contact, surrealism, pathos, humor, and beauty that defined one of the low points of the American experience.

Five Smooth Stones May 13 2022 As tensions mount between the Tories and the Patriots, Hope's life in Philadelphia becomes more confusing. Hope Potter feels her family is falling apart as she wonders if her father will ever return from voyage, and deals with her 13-year-old brother's proclamation that he is a Tory.

Half-Blood Blues Aug 24 2020 Winner of the Scotiabank Giller Prize Man Booker Prize Finalist 2011 An Oprah Magazine Best Book of the Year Shortlisted for the Governor General's Literary Award for Fiction Berlin, 1939. The Hot Time Swingers, a popular jazz band, has been forbidden to play by the Nazis. Their young trumpet-player Hieronymus Falk, declared a musical genius by none other than Louis Armstrong, is arrested in a Paris café. He is never heard from again. He was twenty years old, a German citizen. And he was black. Berlin, 1952. Falk is a jazz legend. Hot Time Swingers band members Sid Griffiths

and Chip Jones, both African Americans from Baltimore, have appeared in a documentary about Falk. When they are invited to attend the film's premier, Sid's role in Falk's fate will be questioned and the two old musicians set off on a surprising and strange journey. From the smoky bars of pre-war Berlin to the salons of Paris, Sid leads the reader through a fascinating, little-known world as he describes the friendships, love affairs and treacheries that led to Falk's incarceration in Sachsenhausen. Esi Edugyan's *Half-Blood Blues* is a story about music and race, love and loyalty, and the sacrifices we ask of ourselves, and demand of others, in the name of art.

Vicksburg Oct 06 2021 Winner of the Civil War Round Table of New York's Fletcher Pratt Literary Award Winner of the Austin Civil War Round Table's Daniel M. & Marilyn W. Laney Book Prize Winner of an Army Historical Foundation Distinguished Writing Award "A superb account" (The Wall Street Journal) of the longest and most decisive military campaign of the Civil War in Vicksburg, Mississippi, which opened the Mississippi River, split the Confederacy, freed tens of thousands of slaves, and made Ulysses S. Grant the most important general of the war. Vicksburg, Mississippi, was the last stronghold of the Confederacy on the Mississippi River. It prevented the Union from using the river for shipping between the Union-controlled Midwest and New Orleans and the Gulf of Mexico. The Union navy tried to take Vicksburg, which sat on a high bluff overlooking the river, but couldn't do it. It took Grant's army and Admiral David Porter's navy to successfully invade Mississippi and lay siege to Vicksburg, forcing the city to surrender. In this "elegant...enlightening...well-researched and well-told" (Publishers Weekly) work, Donald L. Miller tells the full story of this year-long campaign to win the city "with probing intelligence and irresistible passion" (Booklist). He brings to life all the drama, characters, and significance of Vicksburg, a historic moment that rivals any war story in history. In the course of the campaign, tens of thousands of slaves fled to the Union lines, where more than twenty thousand became soldiers, while others seized the plantations they had been forced to work on, destroying the economy of a large part of Mississippi and creating a social revolution. With Vicksburg "Miller has produced a model work that ties together military and social history" (Civil War Times). Vicksburg solidified Grant's reputation as the Union's most capable general. Today no general would ever be permitted to fail as often as Grant did, but ultimately he succeeded in what he himself called the most important battle of the war—the one that all but sealed the fate of the Confederacy.

The World Almanac and Book of Facts 2016 Feb 16 2020 Get thousands of facts right at your fingertips with this essential resource The World Almanac® and Book of Facts is America's top-selling reference book of all time, with more than 82 million copies sold. Since 1868, this compendium of information has been the authoritative source for all your entertainment, reference, and learning needs. The 2016 edition of The World Almanac® reviews the events of 2015 and will be your go-to source for any questions on any topic in the upcoming year. Praised as a "treasure trove of political, economic, scientific and educational statistics and information" by The Wall Street Journal, The World Almanac® and Book of Facts will answer all of your trivia needs—from history and sports to geography, pop culture, and much more. Features include: • The Year in Review: The World Almanac® takes a look back at 2015 while providing all the information you'll need in 2016. • 2015—Top 10 News Topics: The editors of The World Almanac® list the top

stories that held their attention in 2015. • 2015—Year in Sports: Hundreds of pages of trivia and statistics that are essential for any sports fan, featuring complete coverage of the first College Football Playoff, the Women's World Cup, 2015 World Series, and much more. • 2015—Year in Pictures: Striking full-color images from around the world in 2015, covering news, entertainment, science, and sports. • 2015—Offbeat News Stories: The World Almanac® editors found some of the strangest news stories of the year. • World Almanac® Editors' Picks: Time Capsule: The World Almanac® lists the items that most came to symbolize the year 2015, from news and sports to pop culture. • U.S. Immigration: A Statistical Feature: The World Almanac® covers the historical background, statistics, and legal issues surrounding immigration, giving factual context to one of the hot-button topics of the upcoming election cycle. • World Almanac® Editors' Picks: Most Memorable Super Bowls: On the eve of Super Bowl 50, the editors of The World Almanac® choose the most memorable "big games." • New Employment Statistics: Five years after the peak of the great recession, The World Almanac® takes a look at current and historic data on employment and unemployment, industries generating job growth, and the training and educational paths that lead to careers. • 2016 Election Guide: With a historic number of contenders for the presidential nominations, The World Almanac® provides information that every primary- and general-election voter will need to make an informed decision in 2016, including information on state primaries, campaign fundraising, and the issues voters care about most in 2016. • The World at a Glance: This annual feature of The World Almanac® provides a quick look at the surprising stats and curious facts that define the changing world. • and much more.

American Revolution Oct 18 2022 The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! Getting the facts behind the fiction has never looked better. Track the facts with Jack and Annie! When Jack and Annie got back from their adventure in Magic Tree House #22: Revolutionary War on Wednesday, they had lots of questions. What was it like to live in colonial times? Why did the stamp Act make the colonists so angry? Who were the Minutemen? What happened at the Boston Tea Party? Find out the answers to these questions and more as Jack and Annie track the facts. Filled with up-to-date information, photos, illustrations, and fun tidbits from Jack and Annie, the Magic Tree House Fact Trackers are the perfect way for kids to find out more about the topics they discovered in their favorite Magic Tree House adventures. And teachers can use Fact Trackers alongside their Magic Tree House fiction companions to meet common core text pairing needs. Did you know that there's a Magic Tree House book for every kid? Magic Tree House: Adventures with Jack and Annie, perfect for readers who are just beginning chapter books Merlin Missions: More challenging adventures for the experienced reader Super Edition: A longer and more dangerous adventure Fact Trackers: Nonfiction companions to your favorite Magic Tree House adventures Have more fun with Jack and Annie at MagicTreeHouse.com!

When Will this Cruel War be Over? Feb 22 2023 Acclaimed author Denenberg's "When Will This Cruel War Be Over?" Impressive [and] illuminating.--"Publishers Weekly."

Black Dog: The Dreams of Paul Nash (Second Edition) Nov 14 2019 New edition with bonus material by Dave McKean! Dark Horse proudly presents a new, second edition, of the graphic novel by legendary artist Dave McKean, based on the life of Paul Nash, a

surrealist painter during World War 1. *The Dreams of Paul Nash* deals with real soldier's memoirs and all the stories add up to a moving piece about how war and extreme situations change us, how we deal with that pain, and, in Nash's case, how he responded by turning his landscapes into powerful and fantastical psychoscapes. The second edition of *Black Dog: The Dreams of Paul Nash* features a new cover by Dave McKean, along with 15 pages of new bonus material examining the creation of the book.

Multi-Domain Battle in the Southwest Pacific Theater of World War II Oct 14 2019

"Multi-Domain Battle in the Southwest Pacific Theater of World War II" provides a historical account of how US forces used synchronized operations in the air, maritime, information, and land domains to defeat the Japanese Empire. This work offers a historical case that illuminates current thinking about future campaigns in which coordination among all domains will be critical for success.

The New Face of War Dec 28 2020

The American Revolution Jun 02 2021 History is dramatic—and the renowned, award-winning authors Christopher Collier and James Lincoln Collier demonstrate this in a compelling series aimed at young readers. Covering American history from the founding of Jamestown through present day, these volumes explore far beyond the dates and events of a historical chronicle to present a moving illumination of the ideas, opinions, attitudes and tribulations that led to the birth of this great nation. *The American Revolution* examines the people and events involved in the significant war by which the thirteen original colonies broke away from England. The authors explain the many sources of conflict between the Americans and the British government, how each side approached the problems, and the results of the escalating violence.

Founding Father Jan 17 2020 "Revisits the spectacular career of George Washington, at once our most familiar and enigmatic president. Challenging the modern perceptions of Washington as either a political figurehead of little actual importance or a folk legend rather than a real man, Brookhiser traces the president's amazing accomplishments as a statesman, soldier, and founder of a great nation in a quarter century of activity that remains unmatched by any modern leader. Brookhiser goes on to examine Washington's education, ideals, and intellectual curiosity, illuminating how Washington's character and values shaped the beginnings of American politics."--Page 4 of cover.

Look Away Jan 09 2022 This Civil War saga from military novelist Coyle is about two brothers from New Jersey who find themselves on opposite sides of the war.

The Lost Mandate of Heaven Apr 19 2020 Ngo Dinh Diem, the first president of the Republic of Vietnam, possessed the Confucian "Mandate of Heaven", a moral and political authority that was widely recognized by all Vietnamese. This devout Roman Catholic leader never lost this mandate in the eyes of his people; rather, he was taken down by a military coup sponsored by the U.S. government, which resulted in his brutal murder. The commonly held view runs contrary to the above assertion by military historian Geoffrey Shaw. According to many American historians, President Diem was a corrupt leader whose tyrannical actions lost him the loyalty of his people and the possibility of a military victory over the North Vietnamese. The Kennedy Administration, they argue, had to withdraw its support of Diem. Based on his research of original sources, including declassified documents of the U.S. government, Shaw chronicles the Kennedy administration's betrayal

of this ally, which proved to be not only a moral failure but also a political disaster that led America into a protracted and costly war. Along the way, Shaw reveals a President Diem very different from the despot portrayed by the press during its coverage of Vietnam. From eyewitness accounts of military, intelligence, and diplomatic sources, Shaw draws the portrait of a man with rare integrity, a patriot who strove to free his country from Western colonialism while protecting it from Communism.

Grandpa's Tractor Mar 19 2020 A visit to a family farm with a special tractor brings back memories for a grandfather who shares them with his grandson. Grandpa Joe takes his grandson Timmy back to the site of his family's farm, where the old house and a ramshackle barn still stand. The visit stirs up memories for Grandpa Joe—in particular, the majesty of his own father's shiny red tractor, now rusting in the forgotten fields. An ideal gift, this picture book evokes nostalgia while demonstrating a special bond between a grandparent and grandchild.

If You Lived at the Time of the Civil War Jan 21 2023 Describes what life was like, both in the North, or Union States, and South, or Confederate States, during the Civil War

The Art of War Dec 16 2019 The Art of War (Dell'arte della guerra), is one of the lesser-read works of Florentine statesman and political philosopher Niccolò Machiavelli. The format of 'The Art of War' was in socratic dialogue. The purpose, declared by Fabrizio (Machiavelli's persona) at the outset, "To honor and reward virtù, not to have contempt for poverty, to esteem the modes and orders of military discipline, to constrain citizens to love one another, to live without factions, to esteem less the private than the public good." To these ends, Machiavelli notes in his preface, the military is like the roof of a palazzo protecting the contents. Written between 1519 and 1520 and published the following year, it was the only historical or political work printed during Machiavelli's lifetime, though he was appointed official historian of Florence in 1520 and entrusted with minor civil duties.

Stumbling Colossus Mar 11 2022 Drawing on evidence never before seen in the West, including combat records of early engagements, David Glantz claims that in 1941 the Red Army was poorly trained, inadequately equipped, ineptly organized, and consequently incapable of engaging in large-scale military campaigns - and both Hitler and Stalin knew it. He provides a complete and convincing study of why the Soviets almost lost the war that summer, dispelling many of the myths about the Red Army that have persisted since the war and soundly refuting Viktor Suvorov's controversial thesis that Stalin was planning a preemptive strike against Germany.

Shiloh, 1862 Jun 14 2022 A main selection in History Book-of-the-Month Club and alternate selection in Military Book-of-the-Month Club. In the spring of 1862, many Americans still believed that the Civil War, "would be over by Christmas." The previous summer in Virginia, Bull Run, with nearly 5,000 casualties, had been shocking, but suddenly came word from a far away place in the wildernesses of Southwest Tennessee of an appalling battle costing 23,000 casualties, most of them during a single day. It was more than had resulted from the entire American Revolution. As author Winston Groom reveals in this dramatic, heart-rending account, the Battle of Shiloh would singlehandedly change the psyche of the military, politicians, and American people--North and South--about what they had unleashed by creating a Civil War. In this gripping telling of the first "great and terrible" battle of the Civil War, Groom describes the dramatic events of April 6 and 7,

1862, when a bold surprise attack on Ulysses S. Grant's encamped troops and the bloody battle that ensued would alter the timbre of the war. The Southerners struck at dawn on April 6th, and Groom vividly recounts the battle that raged for two days over the densely wooded and poorly mapped terrain. Driven back on the first day, Grant regrouped and mounted a fierce attack the second, and aided by the timely arrival of reinforcements managed to salvage an encouraging victory for the Federals. Groom's deft prose reveals how the bitter fighting would test the mettle of the motley soldiers assembled on both sides, and offer a rehabilitation of sorts for Union General William Sherman, who would go on from the victory at Shiloh to become one of the great generals of the war. But perhaps the most alarming outcome, Groom poignantly reveals, was the realization that for all its horror, the Battle of Shiloh had solved nothing, gained nothing, proved nothing, and the thousands of maimed and slain were merely wretched symbols of things to come. With a novelist's eye for telling and a historian's passion for detail, context, and meaning, Groom brings the key characters and moments of battle to life. Shiloh is an epic tale, deftly told by a masterful storyteller.

The Negro Motorist Green Book Jul 15 2022 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The War Against Boys Dec 08 2021 "This updated and revised edition of the controversial classic, which is now more relevant than ever, argues that boys have become the primary victims of American society, showing how boys' weaknesses are aggravated by anti-boy prejudices and offering constructive suggestions on how to help young males"-- Amazon.com.

Patron Saints of Nothing May 21 2020 A NATIONAL BOOK AWARD FINALIST "Brilliant, honest, and equal parts heartbreaking and soul-healing." --Laurie Halse Anderson, author of SHOUT "A singular voice in the world of literature." --Jason Reynolds, author of Long Way Down A powerful coming-of-age story about grief, guilt, and the risks a Filipino-American teenager takes to uncover the truth about his cousin's murder. Jay Reguero plans to spend the last semester of his senior year playing video games before heading to the University of Michigan in the fall. But when he discovers that his Filipino cousin Jun was murdered as part of President Duterte's war on drugs, and no one in the family wants to talk about what happened, Jay travels to the Philippines to find out the real story. Hoping to uncover more about Jun and the events that led to his death, Jay is forced to reckon with the many sides of his cousin before he can face the whole horrible truth -- and the part he played in it. As gripping as it is lyrical, Patron Saints of Nothing is a page-turning portrayal of the struggle to reconcile faith, family, and immigrant identity.

A Patriot's History of the United States Sep 24 2020 Argues against educational practices

that teach students to be ashamed of American history, offering a history of the United States that highlights the country's virtues while placing its darker periods in political and historical context.

War Music May 01 2021 A remarkable hybrid of translation, adaptation, and invention Picture the east Aegean sea by night, And on a beach aslant its shimmering Upwards of 50,000 men Asleep like spoons beside their lethal Fleet. “Your life at every instant up for— / Gone. / And, candidly, who gives a toss? / Your heart beats strong. Your spirit grips,” writes Christopher Logue in his original version of Homer’s Iliad, the uncanny “translation of translations” that won ecstatic and unparalleled acclaim as “the best translation of Homer since Pope’s” (The New York Review of Books). Logue’s account of Homer’s Iliad is a radical reimagining and reconfiguration of Homer’s tale of warfare, human folly, and the power of the gods in language and verse that is emphatically modern and “possessed of a very terrible beauty” (Slate). Illness prevented him from bringing his version of the Iliad to completion, but enough survives in notebooks and letters to assemble a compilation that includes the previously published volumes War Music, Kings, The Husbands, All Day Permanent Red, and Cold Calls, along with previously unpublished material, in one final illuminating volume arranged by his friend and fellow poet Christopher Reid. The result, War Music, comes as near as possible to representing the poet’s complete vision and confirms what his admirers have long known: that “Logue’s Homer is likely to endure as one of the great long poems of the twentieth century” (The Times Literary Supplement).

If You Lived At The Time Of The American Revolution Nov 07 2021 If you lived at the time of the American Revolution --What started the American Revolution? --Did everyone take sides? --Would you have seen a battle? Before 1775, thirteen colonies in America belonged to England. This book tells about the fight to be free and independent.

Nettie's Trip South Aug 16 2022 Intended as a literary study guide with activities designed for group and individual projects. Includes a book summary, author information, vocabulary builders, comprehension and discussion questions and cross-curricular activities. Some pages are reproducible for classroom use.
