[Party](#) Sep 03 2021 What the heck is happening to our country. it's all so sad and frustrating and the book supplied some chuckles to release the tension. This politically incorrect voter guide is for the Bush lovin' Obama haters. It is for anyone who thinks that Dick Cheney is a loyal American and Ronald Reagan a Deity. It is especially for the working-class American who believes the Republican Party as it exists today gives a damn about them or their family. I love my country and pay attention. The United States is going in a very wrong direction at this point in history and it may take Teddy Roosevelt coming down off of Mount Rushmore to save this beautiful idea, America. If you read this Dick Cheney I hope you will see the error of your ways. The fact that you have not been in front of the Hague for War Crimes when Maryland National Guard troops served jail time for treating prisoners in accordance with guidelines approved by you speaks volumes about what is wrong

with the United States today.

Meet the Candidates 2020:

Kamala Harris Feb 25 2021

Meet the Candidates 2020: Kamala Harris: A Voter's Guide is your handbook to understanding the candidacy of Kamala Harris and deciding if she deserves your vote in the Democratic primary, and ultimately to take on Donald Trump in the 2020 presidential election. The senator, former prosecutor, and attorney general from California has gained momentum after a strong national showing at the Kavanaugh hearings. She is a strong voice in the Senate, and serves on the Homeland Security and Governmental Affairs Committee, the Select Committee on Intelligence, the Committee on the Judiciary, and the Committee on the Budget. While she is still

refining her campaign stances, she has voiced support for gun control, the Green New Deal, lowering middle class taxes, DREAMers, net neutrality, and legalizing marijuana. Meet the Candidates 2020: Kamala Harris: A Voter's Guide examines how her campaign will solidify, the type of leader she'll be, and her chances versus Donald Trump in the general election. The Meet the Candidates 2020 series is the informed voter's guide to making a decision in the 2020 Democratic primary and presidential election. Each book gives an unbiased, political insider's analysis of each contender, featuring: candidate interviews; an introduction by campaign adviser, Democratic Coalition co-founder, and Dworkin Report host Scott Dworkin; and compilation and writing by Occupy Democrats Editor at Large Grant Stern. Meet the Candidates 2020: Elizabeth Warren Jun 19 2020 Get informed about the campaign issues and policies of Democratic candidate Elizabeth Warren, the populist, progressive, definitively capitalist senator from Massachusetts. Meet the Candidates 2020: Elizabeth Warren: A Voter's Guide will help you decide quickly if Warren deserves your vote for the Democratic nomination and to take on Donald Trump for president of the United States. Warren's strong economic background sets her apart; the senator from Massachusetts defines herself as a capitalist

first and seeks to make capitalism more equitable for all. She has already proposed sweeping anti-corruption reforms, refused PAC donations to her campaign, rolled out plans for college debt forgiveness and a tax on the super wealthy. Her background as a Harvard economist, author of *The Two-Income Trap*, and experience as an economic advisor to Barack Obama positions her well to make change happen. Warren's campaign also features popular Democratic talking points—rebuilding the middle class, ending corruption in Washington, making voting laws more democratic, bringing our troops home and stopping endless war—but it's her experience that sets her apart. From working the campaign trail for Hillary Clinton to weathering President Trump's refrain of "Pocahontas" in reference to her claimed Native American heritage, Meet the Candidates 2020: Elizabeth Warren: A Voter's Guide is your complete handbook to Elizabeth

Warren's resumé, campaign, and what America would look like if she won the presidency in 2020. The Meet the Candidates 2020 series is the informed voter's guide to making a decision in the 2020 Democratic primary and presidential election. Each book gives an unbiased, political insider's analysis of each contender, featuring: candidate interviews; an introduction by campaign advisor, Democratic Coalition co-founder, and Dworkin Report host Scott Dworkin; and compilation and writing by Occupy Democrats Editor at Large Grant Stern. In two hours of reading, you'll understand their defining characteristics, credentials, campaign issues, challenges, presidential chances, and everything else you need to know to decide who should challenge Donald Trump. Meet the Candidates 2020:

Joe Biden Apr 17 2020 Is Joe Biden the right Democrat to face Trump in 2020? Decide by reading this guide to his policies, accomplishments as vice president to Barack Obama, and complicated past

as a Congressman. Even before he decided to run, Joe Biden was the most popular Democratic candidate for president in 2020. On the heels of serving as vice president, and close friend, to Barack Obama, Biden's resume and likability position the former Congressman from Delaware as the favorite for the nomination. He holds a strong lead in the polls. But Joe Biden's legacy is much more complicated. He chaired the Foreign Relations and Senate Judiciary Committees, but his treatment of Anita Hill in the Clarence Thomas Supreme Court hearings will be a black mark on his candidacy. He oversaw successful Great Recession relief and the Violence Against Women Act and ultimately received the Presidential Medal of Freedom, but the racial statements from his past will reflect poorly when promoted by Republicans and fellow Democratic candidates. And Biden has faced allegations of inappropriate touching by several women. Meet the

Candidates 2020: Joe Biden: A Voter's Guide will explore these contradictions and help you decide if Biden is your choice for 2020. The Meet the Candidates 2020 series is the informed voter's guide to making a decision in the 2020 Democratic primary and presidential election. Savvy Voter's Guide Apr 10 2022 Thinking of voting? Good for you! And hey, no worries if you don't understand the issues or the candidates or even the differences between a liberal and a libertarian. The political class would prefer you didn't think too much about it anyway. You are so much easier to manipulate if you remain gullible. Don't think, just vote for whomever they tell you to. It's your civic duty! If you like being a cheap date that can be bought with a few slick sound bites, then move along...nothing to see here...ignorance is bliss. If, however, you don't want to become a political tool, then let Savvy Voter's Guide show you how to protect yourself from the political class.

Meet the Candidates 2020: Bernie Sanders Nov 24 2020 What is "democratic socialism?" Educate yourself on Bernie Sanders, the liberal independent from Vermont and the 2016 underdog turned 2020 Democratic favorite. Bernie Sanders shocked the establishment in 2016 with his self-described "political revolution," mobilizing grassroots fundraising and campaigning to nearly secure the Democratic nomination over Hillary Clinton (even in the face of Democratic National Convention opposition). The Vermont senator and longest-serving independent in congressional history hopes to do the same with a better result in 2020.

Meet the Candidates 2020: Bernie Sanders: A Voter's Guide will help you decide if Sanders's brand of democratic socialism is for you and if he is the right candidate to take on Donald Trump. A vocal critic of Donald Trump, Sanders advocates for sweeping reform: single-payer, universal health care, labor and economic

inequality reform, taxes on the wealthy, the Green New Deal, marijuana legalization, free higher education. Sanders has had an undeniable influence on how campaigns are run and has moved the Democratic party to the left, but how will his liberal platforms play in a Democratic primary and against Trump in a general election? After reading *Meet the Candidates 2020: Bernie Sanders: A Voter's Guide* you'll be able to analyze those chances, explain his positions, and decide if they are what you believe is right for America. The *Meet the Candidates 2020* series is the informed voter's guide to making a decision in the 2020 Democratic primary and presidential election. Each book gives an unbiased, political insider's analysis of each contender, featuring: candidate interviews; an introduction by campaign advisor, Democratic Coalition co-founder, and Dworkin Report host Scott Dworkin; and compilation and writing by Occupy Democrats Editor at Large Grant Stern. In two

hours of reading, you'll understand their defining characteristics, credentials, campaign issues, challenges, presidential chances, and everything else you need to know to decide who should challenge Donald Trump. Whether it's for Elizabeth Warren, Joe Biden, Bernie Sanders, Kamala Harris, Julian Castro, Cory Booker, or another, *Meet the Candidates* is what you need to make an informed vote for president in 2020.

The United States is in a continuing economic slump following the recession of 2008-2009. Author Cantoni provides his view of the causes of the recession and provides suggestions as to how the country can recover. The book is intended as a guide for voters, since elected officials and the folks they hire have the ability to set policies and laws that will accelerate the recovery process (they, of course, also have the ability to drive the economy into the ground). Mr. Cantoni provides his perspective based on his many years of business experience. He is a past president and CEO of four medical imaging companies, both public and private. He has invested his own money and has utilized venture capital as he co-founded three of these companies. In the book, the U.S. is treated as an impoverished society, leading

the way to discussion of how to lift folks out of poverty. An extensive discussion of the role of the living wage is woven throughout the narrative.
