Streamline Instruction Manual Apr 10 2022 This Streamline Instruction Manual is a cost-effective approach to teach government employees an understanding of Lean concepts. It is an excellent starting point for teams to begin developing a culture of challenging the status quo. The manual also contains a glossary of Lean terms and templates. The manual uses the popular book Streamline as reference material. Written as a fictional

business novel, Streamline shows, rather than tells, how to apply Lean to any department. It offers a step-by-step approach on how to complete a Lean project at your organization. Streamline is for managers who want to offer improved government services in less time--with no new hires. It is also for Lean practitioners who need an inexpensive way to train the people in their organization. And it is for frustrated workers who keep thinking "there must be a better way."
