Ace Your Exam Aug 21 2020
This practical and reassuring guide will ensure your students pass their exams with flying colours. Ace Your Exam establishes a clear, simple framework for revision and helps students get to grips with what exams are all about. Part 1 begins by exploring institutional expectations and common anxieties and exam myths, before showing students how to tackle various types of exam, including essay-based exams, short-answer questions, multiple-choice questions, calculation-based exams and open book exams. Part 2 helps readers plot an effective revision strategy for an imminent exam and, equally important, a detailed strategy for optimal use of time and productive powers during the exam. Finally, Part 3 helps students put their plans into action. Ace Your Exam will be an essential companion to all students preparing for and taking exams.

2020 Understand what

metacognition is and how you

can apply it to your secondary

school teaching to support

deep and effective learning in

your classroom. Metacognition

is a popular topic in teaching

and learning debates, but it's

rarely clearly defined and can

be difficult for teachers to

understand how it can be

applied in the classroom. This

book offers a clear introduction

to applying metacognition in

secondary teaching, exploring

the 'what', 'when/how' and

'why' of using metacognition in

classrooms with real life

examples of how this works in

practice. This is a detailed and

accessible resource that offers

guidance that teachers can
