Beethoven wrote 32 sonatas for piano. The final installment, Volume 4, edited by  
Stewart Gordon, contains Sonatas 25-32, written between 1809 and 1822 and published  
shortly thereafter. Of the eight sonatas in this volume, autographs exist in whole or in  
part for all but Op. 106, missing since World War II. This edition is based on the  
existing autographs and the first editions. Dr. Gordon discusses a variety of topics  
including Beethoven's life; the pianos of his time and their limitations; Beethoven's use  
of articulation, ornamentation, tempi; and the age-old challenge of attempting to  
determine the definitive interpretation of Beethoven's music. Valuable performance  
recommendations, helpful fingering suggestions and ornament realizations are offered  
in this comprehensive critical body of Beethoven's sonatas. Where performance options  
are open to interpretation, other editors' conclusions are noted, enabling students and  
teachers to make informed performance decisions. Titles: \* Op. 79 ("Sonatine") \* Op.

The Irish Yearbook of International Law is intended to stimulate further research into Ireland's practice in international affairs and foreign policy, filling a gap in existing legal scholarship and assisting in the dissemination of Irish thinking and practice on matters of international law. On an annual basis, the Yearbook presents peer-reviewed

academic articles and book reviews on general issues of international law. Designated correspondents provide reports on international law developments in Ireland, Irish practice in international fora and the European Union, and the practice of joint North-South implementation bodies in Ireland. In addition, the Yearbook reproduces documents that reflect Irish practice on contemporary issues of international law. Publication of the Irish Yearbook of International Law makes Irish practice and opinio juris more readily available to Governments, academics and international bodies when determining the content of international law. In providing a forum for the documentation and analysis of North-South relations the Yearbook also make an important contribution to post-conflict and transitional justice studies internationally. As a matter of editorial policy, the Yearbook seeks to promote a multilateral approach to international affairs, reflecting and reinforcing Ireland's long-standing commitment to multilateralism as a core element of foreign policy.
