THE AUTHOR The Monday Collection, Volume One is a special volume of
the first three books of the Jake Monday Chronicles. It includes: Manic
Monday, A Month of Mondays, and Thank God it's Monday. The Monday
Collection, Volume Two will be released in the fourth quarter of 2014

and will include the final four parts of the Jake Monday story: Rainy Days
and Mondays (March 2014), Can't Wait for Monday (May 2014), Mad
Mad Monday (July 2014), and Monday Bloody Monday (September 2014).
The Jake Monday Chronicles began when I wrote a short story about an
assassin named Jake Monday. I had no plans, really, but I had a sentence
running through my head. The sentence that launched this series began:
"Jake Monday hated Mondays more than any other day of the week." The
idea that a high-profile assassin would be unhappy, unsatisfied, and
struggling with his past and future, is not new. I wanted to explore new
areas of this theme. I thought of family, of a past hidden, of the moral
challenge of an individual that finds himself caught in a massive global
conspiracy while grappling with the choices he has made, willingly or
not. So, Jake Monday is my Jason Bourne. Hallie is my Sidney Bristow
(from Alias). My villains...well, they are all my own. I love to draw villains
who are deep, believable, and scary. Not because they always represent
the antithesis of the hero, but just the opposite: my villains are not much
different than all of us. I do not believe in "grey areas," but I do believe
the line between good and evil can be narrow. One wrong move and even
someone like Jake Monday can be heading in the wrong direction.

The King of Ameron Jan 08 2022 For the past ten years, lanie had
secreted herself behind the walls of her younger creek cabin. She
maintained an invisible fortress which limited her interaction with the
few people in her life. Suddenly, at the age of twenty-eight, lanie found
herself caught up in a world which quickly shattered her barrier and
yanked her into the sweet, scary life of love, hate, hope, and espionage.
She finally heard the echoes of God, families, and friends.

Scary Tails Chronicles Nov 18 2022 I've had a passion for writing and
drawing my entire life. I never imagined that passion might rub off on my
nine-year old daughter as well, but here we are with her very own book,
and I could not possibly be more proud. Now, sit back, dim the lights,
and enjoy some Scary Tails

The Dogpyre Syndrome Jun 01 2021 Sit, stay, take a heartworm pill, and
get ready for a very scary read, because Winnie's at it again! This time
our courageous corgi in a wheelchair is caught up with a gang of blood
sucking, mindless dogs, known as Dogpyres. With vampire bats, a wolf,
and a good friend who turns on her, she has a lot to handle in this
mysterious tale of doggie madness and human sadness. The Dogpyres
have turned Winnie's little neighborhood upside down and everyone's
scrambling to find out why. Hold on to your leashes because this ain't no
ordinary walk in the park.

Triumph Oct 17 2022 And the fight for life comes to its end . . .
Uncovering the truth, the only survival is to change. Reaching inside
themselves, the adventurers must find a way out of the jaws of death and
destroy the killer. The third of the Dark Chronicles series sends the
reader through the ride of their life. At wits end, only the true survive.
Indulge in the dark . . .

Dark Coven Rising Jun 13 2022 I used to think the scary part would be
finishing school and finding a job. Then again, I also used to think I was
human. Getting hold of the first talisman nearly killed me, so I'm not
exactly pumped about starting round two. But if I understand the
Empyrean Witch rules correctly, I either claim all three talismans or die
trying. Still, it's not like I have a choice as the power of the Dark Coven
keeps growing. Word on the street is that more and more witches keep
flocking to join them. Which means it's only a matter of time before they
wipe out those of us who remain. And the only way to fight them? Claim
the talismans to unlock my demigoddess powers. Sure, no problem. Ah,
the good old days, when I was stressed to the max about mid-terms and
papers. Soon, it looks like my Shadow Order team might just be onto
something. When a fae monk points us toward an island where everyone
mysteriously vanished, I suspect her instincts are probably on the money.
Sure, I got a psychic ping when she told us, but I'm also getting a feel for
this game. By which I mean that my demigoddess ancestors chose the
most deadly locations possible to hide the talismans for posterity. In
other words, me. Hey, thanks guys. We should really do this again
sometime. That is, if I happen to survive.

And so It Begins... Nov 25 2020 And So It Begins... is a fantasy novel
written for a large audience of people in the world who have longed for
something more or different. It is a novel about traveling to another

reality and living your dreams. But, it is also about people, their relationships to each other, and their understanding of themselves and their own reality. This novel provides people with something we all need; the opportunity to examine ourselves from the safe distance of a reader in another world. The story begins with Roxanne Black, a college student in 20th century America who hates the reality in which she lives, trying desperately to get through college and life without losing her mind. Then, one day, something extraordinary happens; she is given a mysterious pendant by a twisted and equally mysterious old man who immediately vanishes. The next thing she knows, Roxie can't take the necklace off, she starts having nightmares about people calling to her, and, for some reason, she can read the thoughts of some of those around her. An attempt to find out information about the pendant leads her down the road of no hope. Soon she realizes that she may be stuck with the thing forever. A thought which is somewhat terrifying, yet appealing to her overactive imagination. However, just as she resolves herself to a life of enslavement, Roxanne is faced with a new twist. She is magically transported to another reality. Now, here is where the story gets immensely entertaining. Roxanne finds herself in a world filled with Lords, trolls, demons, and warriors, where she is informed that she is one of three Chosen who must save the world in its battle with the Betrayer, (a really scary demon-type who is wiping out civilization as they know it). Deciding to accept everything as reality and not just a mass hallucination brought on by sleep deprivation and reading one too many fantasy novels herself, Roxie accepts her role and begins her journey. However, her books never told her that alternate realities are still realities. Instead of having super powers, skills, and knowledge, Roxie is still herself. She must learn to fight and she must learn to understand the world she is in, and she has to do it all in time to save the world- no small task. She also has to interact with real people who have real problems themselves. Suddenly, she finds herself in the middle of reality, only with a new cast of characters. There are the 13 Lords sworn to protect the Land. Of those, Lord Earin is young, scared, proud, and falls deeply in love with Roxanne. His constant feelings of inadequacy provide a never ending challenge for Roxanne and the other Lords. High Lord Brennen is very old, strong, and tired. He has been through this battle before and carries the scars of the ages. He assumes a great deal of guilt for all that happens to those around him as he directs them closer and closer to war. Lord Anjalina is a fiery, proud Lord who will stop at nothing to save the world she loves. Everything is black and white to her. There are no inbetweens. Lord Ambrose, who only wants people to be happy. He provides emotional strength and guidance for all the others. Often, he is the only thing keeping everyone from insanity. Aside from the Lords, Roxanne comes face to face with warriors of all kinds. The tall, powerful General of the forces of good, General Sabastian, is in command of everything around him. He is sure of himself and confident in what has to be done. His orders and ideas leave no room for questions. He is a battle-worn, tactical genius. Yet, he too has been through this all before and shares the guilt of the High Lord. Another member of the fighting force is Major Elway who is notorious for getting out of impossible situations and getting into beds with the ladies. He is the "Joe Cool" of this reality, with plenty of reason to have a high opinion of himself. Next, there are the other two Chosen- Commander Gabr

Scary Stories from Mexican Grandmothers Aug 15 2022 Mi hijos! Mi hijas! Come quick! I have found a very special present for you. It is a book, un libro, but not just any book. It is a special libro. You remember the old stories I tell you, the ones you laugh at when my back is turned? Well, here is a book that tells the same stories, the same cuentos! It is a book that comes from Mexican nanas like me. It tells stories from sus familias. And do you know what, my precious grandchildren, mi nietos? Many of these stories are nearly the same as the stories from mi familia. What did I tell you? Si, it proves that the stories are true. You should listen to your nana. Inside this book you will find more than a dozen tales you might recognize from the folklore of southwestern America. Diane Willsey, a teacher, encouraged her students to talk to their own grandmothers and ask for their "scary stories." Then she compiled the narratives into original tales to save them for future generations. Prepare yourself. These chronicles can be truly frightening! When you finish, you might want to talk to your own grandmother and find the stories of your family.

Midnight At 6AM Apr 11 2022 In this third volume of Midnight at 6AM, we encounter the same two protagonists, who are now a little older and a little wiser. The action takes place entirely in New Zealand, where Monty and Millie experience a full range of eye-popping Kiwi adventures. Gleefully they hear a vast assortment of anecdotes; scary, hilarious, implausible, amazing... and quite likely true. Exciting news is revealed in the epilogue.

The False Prophet Mar 10 2022 "She's the one that ends it all. I know how these prophecies go. She is the hero. She is the one. I know a savior when I see one. She's Palidonaya's chosen weapon." After being thrown into a beautiful but dangerous world, Arietta has learned not only to cope with the extreme pressure of being deemed Palidonaya's Hero but also how to work with the magic gifted to her. The devastating defeat at Lenovia, the world's last stronghold untouched by the dragons, has given wind to the wings of a new and terrible Draconian Reign, but Arietta, Jerry, and Nova stand as a final beacon of hope that armies rally behind. The choice to be a hero, though difficult to make, is the only thing standing between Palidonaya and Draconian domination.

Redemption Oct 25 2020 *The Belief Chronicles* are not spiritual books. You'd think they were, but they are not. They are part of the series, *Chronicles of a Planet's End*, and they tell the story of two characters facing the end of Earth. Emily Brown realized very quickly that any man she had sex with died. When a pedantic, charming, silent, and odd man, Geoffrey, tells her that not only is he an immortal, but that he desperately wants to die, Emily thinks it is just a terribly cruel joke on a horrible curse. He promises that she will inherit his immortality at the time of his death. It is not easy to trust. If it is true, what in the world would she want with immortality? Earth would become her responsibility and it is facing self-annihilation. Emily thinks that Geoffrey is copping out at the perfect time and leaving her with an unwanted mess. It is far from her dream of working at a gallery and painting on the side. Tristan Jasper wants power, and he will do anything to take it. He has an addiction to violence which he hides as he attempts to find other outlets to his desire for power. When he realizes that not only is the end of the world coming, but Earth could really use a messiah, he signs up for the role. If Emily and Geoffrey accidentally share some of their gifts of eternal life, so much better. In the end, the story is about Emily who has the responsibility and no idea how to step into the power she has, and Tristan who desperately craves the power, but has no interest in accepting the responsibility that comes with it. In the end, what does it mean to believe in someone, and is it really necessary? What does it mean to have enormous power? How does one heal from profound loss?The first book in the series is *Dance of Life*. The second book in the series is *Redemption*. Both books contain sexuality and violence and could be triggering for some readers. *Redemption*The funeral is over. Geoffrey is dead, and Emily is living the new life. Instead of diving into the world, she has decided to stay on in Geoffrey's house, at the small

farm on the distant planet. The Earth can wait. At least, that was her plan, until Drew Montenegro appears at her doorstep with a request that will send her back into the world and force her to become part of a larger plan. If this was what Geoffrey had in mind for her future, she has no intention of becoming just another version of that man. Weeks of interviews have made him famous. Tristan loves every minute of it. Who would have thought that he would end up invulnerable? He created a life that represents everything he is not. The girlfriend, the house in the suburbs, the boring car, and even worse clothes are part of an image to feed his need for power. He finds that people are willing to worship any good redemption story. The sensation even erases addiction to violence. Nothing can touch him until an obnoxious and scary teenager appears that could destroy everything he has built. Instead, he discovers he can travel from one planet to another. Should he use this new power to establish his godlike status as he builds followers, or should he use it to satisfy his addiction?*Chronicles of a Planet's End*The *Chronicles of a Planet's End* is the story of the end of planet Earth and its salvation through interstellar travel told from a series of different character perspectives divided into four subseries. Right now, *The Alexander Chronicles* and *The Belief Chronicles* are the two series published. The next book should be out shortly. The books are a mix between *Stargate*, *Lost in Space*, and *World War Z* with no zombies. It obviously has no literal connection to these stories, but it should give a sense of the tone. It has some romance, some sex, lots of bad language, and a bit of humor. Mostly, it is the story of ordinary humans in extraordinary circumstances. All the subseries have moments of interaction with each other. Some characters cross over at strategic moments.

A Ghost a Day Nov 13 2019 Can't get enough spooks, spirits, and specters? Now you'll never have to go a day without your ghoulish fix. This ghastly collection features some of the scariest stories of murder, revenge, and suicide ever told—and the spirits that haunt their resting place for all time. As a truly unique convention, each story directly relates to the specific day on which it's found. You'll find shocking stories of: Sightings of the spectral SS Valencia that was lost at sea on January 22nd, 1906 The "Thirteen Lost Souls" trapped in the burning Jolema Building in Brazil on February 1st, 1974 seen roaming the new corridors and offices The ghostly "mist of the Green Lady" in the oldest graveyard in Burlington, Connecticut, which she started haunting on April 12, 1800 Not for the faint of heart, this book delivers tales to terrify you every day of the year!

Changing Worlds Apr 18 2020 Hi, my name is Danielle Walkerman and for the past six months there's been a hole in my heart I've been unable to remedy, rectify or resolve. You see, recently, I lost someone very dear

to me, and for a time my Dad worried that I would never recover. In a strange twist of fate however, God saw fit to answer my heartfelt prayer with the unlikeliest scenario imaginable. A new best friend, one as lost and shaken in spirit as I was. How could I have ever imagined when we first met, that my new companion was going to require regular feedings of human blood to survive and diligent efforts on both our parts to keep her profound secret from freaking people out? Though you might find it hard to believe, the fact is she's an actual, living, breathing Vampire. Not a shallow Hollywood portrayal of one either, but a scary, real-life, sharp fangs and all, bloodsucking badass. This was a fact I discovered quite by accident one day when I caught her feeding on my dear old Gran. (To be fair, that's a long story, and not, as it turns out, quite as bad as it sounds.) To say this was the beginning of a grand adventure is a bit of an understatement and each new day with Dharalyn brings new challenges, brushes with danger and more than a few surprises. Oh, I almost forgot; did I mention that Dharalyn's people may be looking for her, and if they find her here, they'll probably take her away and put her through a twisted version of a dark ages trial, run by some uppity vampire inquisitorial squad? The tragic result being that she could be forced to take a dirt nap against her will. Sheesh, talk about life changing situations! Overall and in the grand scheme of things, I guess you could probably argue that it's all part of some mysterious master plan, and things will eventually get better. Here's hoping we're still alive next year to enjoy it. Welcome to my Changing World!

Val - Prequel to The Zombie Chronicles May 20 2020 Meet 'Val' one of the most talked about characters in The Zombie Chronicles. This is the prequel to The Zombie Chronicles completely told in Val's POV. Meet Val before she hooked up with the gang on Kelly's Island. See how she got bitten as that was never explained in the series. Watch her meet her biological parents and Dean for the first time! See how she got thrown into isolation. See the friends she traveled with on the journey to the island. Watch her make the final decision to leave Philly and journey to Ohio when her world comes crashing down around her. Meet Val and get a real feel for her character as you read her story in her POV. This is the story before the story! Prequel - VAL Book 1 - The Zombie Chronicles (FREE read!) Book 2 - Race for the Cure Book 3 - Deadly City Book 4 - Poisonous Serum Book 5 - Undead Nightmare Book 6 - Revelation Book 7 - Trepidation Book 8 - Impact Warning: Mild violence. For mature teens and young adults. Quotes The zombie apocalypse has swept in like a violent storm, and every day is a fight to survive. Yes, it's scary, and we have no guarantees that we'll live to see the next sunrise. But there's nothing we can do to stop it. We just have to let it run its course and pray that the zombies rot out soon. I'm not Rambo, Supergirl, or Xena, but I can't let worry consume me either. Just because I'm not made out of titanium, that doesn't mean I won't make it to the finish line. I've gotta stay brave and keep fighting as hard as I can and never, ever give up hope. — Val Bennett - zombie fighter & survivor I have to keep my footing, catch my breath, and keep walking the twisting path ahead. There are many huge hurdles to face. I don't know what life holds for me, but I will survive as long as I can, and I won't go down without a fight. — Sammy Evans - survivor & zombie fighter Humans are a rare and endangered species. Swallowing down our fear, we must fight to protect humanity at all costs. Protecting the human race must be our number one priority. We need to fight for the future we want, not the one that's been delivered to us. Taking back our world is a fight I will never give up on. And in my opinion, that makes every zombie hunter a very special breed of warrior. — Dean Walters - survivor & zombie hunter

The Earth Kingdom Chronicles: The Tale of Aang Jul 14 2022 I'm Aang -- and this is the tale of my journey through the Earth Kingdom. I traveled there with my friends Katara and Sokka to find an Earthbending teacher. I'm not sure why, but we ran into trouble almost everywhere we went. We got chased by Prince Zuko's sister, Azula, and got caught in a sinking library. Did I mention that Appa got kidnapped by Sandbenders? There were definitely some scary moments...but I can't complain about getting stuck in the Cave of Two Lovers with Katara! All in a day's work for the Avatar, right?

Ben Yokoyama and the Cookie of Doom Dec 27 2020 "This is my favorite book of the year." —Lincoln Peirce, New York Times bestselling author of Big Nate series Meet Ben, a literal-minded kid with a big heart and an even bigger sweet-tooth, who cracks open a fortune cookie and discovers that TODAY might be his last day on Earth! Perfect for fans of DIARY OF A WIMPY KID or THE TERRIBLE TWO. Live each day as if it were your last. When Ben reads his fortune-cookie fortune, he's alarmed and inspired. Immediately, he begins drafting a bucket list of unfinished tasks and lifelong dreams (finish his 1000-piece model of the Taj Mahal, eat an entire cake, etc...). As Ben marches himself in and out of trouble, takes useful risks, and helps both his parents to see the bigger picture, readers discover how something that seems scary can instead be empowering--leading to friendships that might never have been made, neighbors that might never have been known, and apple pies that might otherwise never have been baked.
