"8 more books for beginner readers with phonetic words and fun, child-friendly plots, written by a Montessori teacher"--Container. In this collective biography, Rhonda Y. Williams takes us behind, and beyond, politically expedient labels to provide an incisive and intimate portrait of poor black women in urban America. Drawing on dozens of interviews, Williams challenges the notion that low-income housing was a resounding failure that doomed three consecutive generations of post-war Americans to entrenched poverty. Instead, she recovers a history of grass-roots activism, of political awakening, and of class mobility, all facilitated by the creation of affordable public housing. The stereotyping of black women, especially mothers, has obscured a complicated and nuanced reality too often warped by the political agendas of both the left and the right, and has prevented an accurate understanding of the successes and failures of government anti-poverty policy. Love Me or Else

Colin McEvoy

On the outside, Mary Jane Fonder seemed like a kindly sixty-six-year-old congregant of the Lutheran church in Springfield Township, PA. But inside, she longed for the church's handsome Pastor Gregory Shreaves, a former golf pro who sparked her most sinful thoughts. When Mary Jane let her feelings be known, the Pastor gently pushed her away. But her obsession only grew stronger when she became convinced that he was romantically involved with a younger church member, a woman named Rhonda Smith. Rhonda was doing volunteer work in the church office one day when she was shot to death in cold blood. The trail of evidence led police to Mary Jane, and soon other suspicions were raised: Was she also involved in the

They have survived Hurricane Katrina, but with Hurricane Gustav threatening to strike, Alexis and Jamar must pack up and flee New Orleans. Unfortunately, Alexis finds herself right in the eye of another storm when she and Jamar decide to wait out the hurricane in Virginia Beach. Christopher and his wife Andrea live there, and are still nursing the wounds that Alexis helped to cause. Although Jamar is determined not to let this potential drama stress out his fiancée, an unexpected glitch in his finances demands his attention and nearly drives a wedge between him and Alexis. Someone is definitely out for revenge, but who? Is it Andrea? Christopher? Or maybe it's Alexis's former archrival, Nikki, who also makes a surprise appearance in Virginia Beach. Will Alexis be able to face the demons she thought she'd slayed years ago? This is a story of

family, friendship, and forgiveness that proves that while time passes, some wounds never heal.
