Inge Scholl und die Wei ß e Rose La Rose blanche Women in Nazi Society The Pietist Option Free-Market Socialists Crailsheim und die Weisse Rose Die Weisse Rose. Six Against Tyranny ... Translated ... by Cyrus Brooks. An Account of an Anti-Nazi Movement in Munich in 1943. With Portraits. Long Live Freedom! Origins Of The Gulag Black Buck White Rose History, Volume II (Academic Version)

This is the story of the students at Munich University who distributed leaflets condemning Nazism and urging non-violent resistance. Hans and Sophie Scholl, the leaders of the White Rose resistance, were caught and executed; they were influenced by Christian writers such as St Augustine and Newman. On February 22, 1943, three students from the White Rose, a small underground resistance movement, were executed by guillotine. One of them was a 21-year-old Munich University student named Sophie Scholl, who had courageously fought against Nazi tyranny, not with bullets or bombs but with words, printed in leaflets, that proclaimed a passionate desire to live in a free and democratic society. Her brave and principled stand made her a legend in Germany. Drawing on a wide variety of original documents from German archives, this story also includes her letters and diaries, Gestapo interrogation files, court documents, and exclusive interviews, most notably with Elisabeth Hartnagel, Sophie ' s sister and only living family member. This biography provides a shocking yet inspirational story about the remarkable life of this German heroine, a modern-day icon who defied Hitler and who was executed for her beliefs. A gorgeous and timely novel based on the incredible story of Sophie Scholl, a young German college student who challenged the Nazi regime during World War II as part of The White Rose, a nonviolent resistance group. Sophies Schwester – das ist Inge Scholl, deren j ü ngere Geschwister Hans und Sophie 1943 hingerichtet wurden, weil sie sich dem NS-Regime widersetzt hatten. Inge Scholl wusste nichts vom Widerstand ihrer Geschwister. Doch sie begab sich umgehend auf eine private Spurensuche und avancierte damit nach 1945 zu einer ebenso einflussreichen wie prominenten Aktivistin in der bundesrepublikanischen Erinnerungs- und Gedenkkultur an den Widerstand im "Dritten Reich". Christine Hikel hat dar ü ber ein erhellend-aufregendes Buch geschrieben. Sie kann eindrucksvoll zeigen, wie famili ä re Erinnerungen konstruiert wurden, wie sie sich im Laufe der Zeit ver ä nderten, wie und wann sie sich gegen konkurrierende Widerstands-Erz ä hlungen durchsetzten und das ö ffentliche Gedenken pr ä gten. Die Geschichte der Wei ß en Rose wird damit in die Zeit nach 1945 verl ä ngert und als faszinierendes Lehrst ü ck pr ä sentiert: Selbst spektakul ä re Taten wie die Flugblatt-Aktion Hans und Sophie Scholls in der M ü nchner Universit ä t finden im kollektiven Ged ä chtnis nur dann einen Platz, wenn sie F ü rsprecher finden, die sie immer wieder neu zum aktuellen politischen und gesellschaftlichen Zeitgeist in Bezug setzen. Shortlist-Nominierung Opus Primum 2013! The dramatic, disturbing story of the small group of university students who dared to distribute leaflets condemning Hitler and his policies. Several paid with their lives. It's also an inspiring story of the profound effect young people can create on a nation's history by taking action based on their fervent beliefs. A powerful account of the resistance group made up of German students who opposed Nazism, written by the sister of two members who were killed. The White Rose tells the story of Hans Scholl and Sophie Scholl, who in 1942 led a small underground organization of German students and professors to oppose the atrocities committed by Hitler and the Nazi Party. They named their group the White Rose, and they distributed leaflets denouncing the Nazi regime. Sophie, Hans, and a third student were caught and executed. Written by Inge Scholl (Han ' s and Sophie ' s sister), The White Rose features letters, diary excerpts, photographs of Hans and Sophie, transcriptions of the leaflets, and accounts of the trial and execution. This is a

gripping account of courage and morality. "A sad and beautiful book; timely and timeless." —The Wall Street Journal "The existence of an organized resistance in Germany during the Third Reich has often been glossed over or ignored . . . Now for the first time this fascinating story, told by the surviving sister of two of the students, is available in accurate and readable English." —Library Journal

Sophie Scholl (1921-1943) is a hero in Germany today for her actions against the Nazis. She could not have resisted without the information provided from her boyfriend, Captain Fritz Hartnagel. Long Live Freedom! Traute Lafrenz and the White Rose examines the Munich-based student resistance to Hitler from the viewpoint of one of the survivors. The account chronicles not only the significant history of the White Rose, but also the deep and abiding philosophies that were the foundation of the group. Who remembers, and how? Debates about the role of memory as history – and of literature as memory – have increasingly come to fascinate those interested in how we look at our pasts as a means for understanding the present.

Women without a Past? brings together for the first time autobiographies written by seven women who experienced Nazism from different perspectives: Elfriede Br ü ning, Hilde Huppert, Greta Kuckhoff, Elisabeth Langg ä sser, Melita Maschmann, Inge Scholl, and Grete Weil. Their autobiographies provoke diverse and challenging answers to questions about who remembers what, when, where, how and on behalf of whom. This book foregrounds the positive political potential of re-reading well-known texts and seeking out reasons why others have been marginalized. It examines autobiography as a form of writing at the very centre of contemporary debates on the 'self', 'truth' and 'history'. Women without a Past? offers new insights into the politics of memory and autobiography, and will be of particular interest to researchers and students engaging with women's writing and memories of Nazism.

The biography of the twenty-one year-old German student who was put to death for her anti-Nazi activities with the underground group called the White Rose. This fascinating book examines the position of women under the Nazis. The National Socialist movement was essentially male-dominated, with a fixed conception of the role women should play in society; while man was the warrior and breadwinner, woman was to be the homemaker and childbearer. The Nazi obsession with questions of race led to their insisting that women should be encouraged by every means to bear children for Germany, since Germany 's declining birth rate in the 1920s was in stark contrast with the prolific rates among the 'inferior' peoples of eastern Europe, who were seen by the Nazis as Germany 's foes. Thus, women were to be relieved of the need to enter paid employment after marriage, while higher education, which could lead to ambitions for a professional career, was to be closed to girls, or, at best, available to an exceptional few. All Nazi policies concerning women ultimately stemmed from the Party 's view that the German birth rate must be dramatically raised.

A Newbery Honor Book author has written a powerful and gripping novel about a youth in Nazi Germany who tells the truth about Hitler. Susan Campbell Bartoletti has taken one episode from her Newbery Honor Book, Hitler Youth, and fleshed it out into thought-provoking novel. When 16-year-old Helmut Hubner listens to the BBC news on an illegal short-wave radio, he quickly discovers Germany is lying to the people. But when he tries to expose the truth with leaflets, he's tried for treason. Sentenced to death and waiting in a jail cell, Helmut's story emerges in a series of flashbacks that show his growth from a naive child caught up in the patriotism of the times , to a sensitive and mature young man who thinks for himself. Like White Rose History Volume I (Regular Edition, ISBN 0-9710541-4-2), this book tells the complete story of how the students who came to be known as the White Rose decided to resist Hitler and the crimes of the Nazi Party. Unlike most extant literature, does not focus solely on Hans and Sophie Scholl, but widens the scope to include ALL who sacrificed their lives for this cause. Differs from regular edition because of footnotes and additional information not suitable for younger readers (the target age of the regular edition).

Sophies Schwester - das ist Inge Scholl, deren j ü ngere Geschwister Hans und Sophie 1943 hingerichtet wurden, weil sie sich dem NS-Regime widersetzt hatten. Inge Scholl wusste nichts vom Widerstand ihrer Geschwister. finden im kollektiven Gedächtnis nur dann einen Platz, wenn sie Fürsprecher finden, die sie immer wieder neu zum aktuellen politischen und gesellschaftlichen Zeitgeist in Bezug setzen. Shortlist-Nominierung Opus Primum 2013! Disillusioned by the propaganda of Nazi Germany, Sophie Scholl, a young German college student, her brother, and his fellow soldiers formed the White Rose, a group that wrote and distributed anonymous letters criticizing the Nazi regime and calling for action from their fellow German citizens. A vast network of prison camps was an essential part of the Stalinist system. Conditions in the camps were brutal, life expectancy short. At their peak, they housed millions, and hardly an individual in the Soviet Union remained untouched by their tentacles. Michael Jakobson's is the first study to examine the most crucial period in the history of the camps: from the October Revolution of 1917, when the tsarist prison system was destroyed to October 1934, when all places of confinement were consolidated under one agency -- the infamous GULAG. The prison camps served the Soviet government in many ways: to isolate opponents and frighten the population into submission, to increase labor productivity through the arrest of "inefficient" workers, and to provide labor for factories, mines, lumbering, and construction projects. Jakobson focuses on the structure and interrelations of prison agencies, the Bolshevik views of crime and punishment and inmate reeducation, and prison self-sufficiency. He also describes how political conditions and competition among prison agencies contributed to an unprecedented expansion of the system. Finally, he disputes the official claim of 1931 that the system was profitable -- a claim long accepted by former inmates and Western researchers and used to explain the proliferation of the camps and their population. Did Marxism or the Bolshevik Revolution or Leninism inexorably lead to the GULAG system? Were its origins truly evil or merely banal? Jakobson's important book probes the official record to cast new light on a system that for a time supported but ultimately helped destroy the now fallen Soviet colossus. The White Rose (Die Weiße Rose) stretched far beyond Munich, but at its heart were six individuals: students Hans Scholl (1918-1943), and Sophie Scholl (1912-1943), who were brother and sister, Christoph Probst (1919-1943), Alexander Schmorell (1917-1943), and Willi Graf (1918-1943), and Professor Kurt Huber (1893-1943). Between 1942 and 1943 the group wrote and disseminated six pamphlets calling on the German people to resist Nazism. On 18 February 1943 Hans and Sophie Scholl took copies of the sixth pamphlet to the Ludwig Maximilian University in Munich and deposited them around the atrium at the entrance of the main university building. They were spotted by a caretaker and detained. Their arrest followed, and on 22 February Hans and Sophie Scholl and Christoph Probst were sentenced to death and executed by guillotine just hours after the conclusion of their trial. Alexander Schmorell, Kurt Huber, and Willi Graf were subsequently arrested, tried, and sentenced to death on 19 April. Schmorell and Huber were executed three months later, on 13 July; Graf was executed on 12 October 1943. This volume includes facsimiles of the pamphlets and transcriptions of the German alongside a new English translation. While there are many versions of the pamphlets in English, the translations included here are the result of a collaborative process (as is true of the original pamphlets) and were undertaken by undergraduate students at the University of Oxford as part of The White Rose Project, a research and outreach initiative telling the story of the White Rose in the UK. The student translators outline their approach in a Translators' Introduction. In addition to the pamphlets, this volume presents five essays about the White Rose which explore in different ways influences on the group, and the influence they had on post-war German politics and culture. These essays are intended to offer short introductions to those for whom the White Rose is a new subject, and to provide fresh perspectives for those already familiar with the history. One of the most persistent questions asked about the members of the White Rose is: just what motivated them to resist Nazism? In 'At the Heart of the White Rose - Cultural and Religious Influences on the Munich Students' Paul Shrimpton explores the philosophical, religious, and literary influences on the group. Jakob Knab, in his essay 'Die Weiße Rose: Freedom of Conscience over Totalitarian Conformity', traces Hans Scholl's journey from Hitler Youth leader to spearhead of the resistance, examining the political and cultural encounters that lead him on this journey. In "'Deutsche Hörer!'" News of the White Rose on the BBC German Service', Emily Oliver examines the influence the White Rose may have had during the war by setting out news of the White Rose broadcast on the BBC German Service. Paul Yowell examines Sophie Scholl's interrogation by the Gestapo agent Robert Mohr as dramatized in Marc Rothemund's 2005 film Sophie Scholl - Die letzten Tage (Sophie Scholl - The Final Days, 2005). Finally, in 'Marc Rothemund's Sophie Scholl - Die letzten Tage (2005)', Elizabeth M. Ward explores the portrayal of resistance and the figure of Sophie Scholl in Rothemund's Sophie Scholl --

The Final Days. Questions are often asked about the extent to which the White Rose had an 'impact'. There has been criticism of their youthful impetuosity; some have questioned how much concrete change they really achieved. Hildegard Kronawitter, of the White Rose Foundation in Munich, addresses these points in her foreword to this book. This volume also includes the annotated catalogue for the exhibition 'The White Rose: Reading, Writing, Resistance' held at the Taylor Institution Library at the University of Oxford in October and November 2018. In May of 1942, with Germany still winning the war, an improbable little band of students at Munich University began distributing the leaflets of the White Rose. In the very city where the Nazis got their start, they demanded resistance to Germany's war efforts and confronted their readers with what they had learned of Hitler's final solution: Here we see the most terrible crime committed against the dignity of humankind, a crime that has no counterpart in human history . . . These broadsides were secretly drafted and printed in a Munich basement by a young medical student and military conscript, Hans Scholl, and a handful of young co-conspirators that included his twenty-one-year-old sister Sophie. The leaflets placed the Scholls and their friends in mortal danger, and it wasn't long before they were captured and executed. As their letters and diaries reveal, they were not primarily motivated by political beliefs, but rather came to their convictions through personal spiritual searches that eventually led them to sacrifice their lives for what they believed was right. Idealistic, serious, and sensible, Hans and Sophie Scholl joined the Hitler Youth with youthful and romantic enthusiasm. But as Hitler's grip throttled Germany and Nazi atrocities mounted, Hans and Sophie emerged from their adolescence with the conviction that at all costs they must raise their voices against the murderous Nazi regime. Interwoven with commentary on the grim progress of Hitler's campaign, the letters and diary entries range from veiled messages about the course of a war they wanted their country to lose, to charming descriptions of hikes and skiing trips and meditations on Goethe, Dostoyevsky, Rilke, and Verlaine; from entreaties to their parents for books and sweets hard to get in wartime, to deeply humbled and troubled entreaties to God for an understanding of the presence of such great evil in the world. There are alarms when Hans is taken into military custody, when their father is jailed, and when their friends are wounded on the eastern front. But throughout even to the end, when the Scholls sense of peril was most oppressive there appear in their writings lovely spontaneous outbursts of joy and gratitude for the gifts of nature, music, poetry, and art. In the midst of evil and degradation, theirs is a celebration of the spiritual and the humane. Inspired by the incredible true story of a group of ordinary men and women who dared to stand against evil The ideal of a new Germany swept up Sophie Scholl in a maelstrom of patriotic fervor--that is, until she realized the truth behind Hitler's machinations for the fatherland. Now she and other students in Munich, the cradle of the Nazi government, have banded together to form a group to fight for the truth: the White Rose. Risking everything to print and distribute leaflets calling for Germans to rise up against the evil permeating their country, the White Rose treads a knife's edge of discovery by the Gestapo. Annalise Brandt came to the University of Munich to study art, not get involved with conspiracy. The daughter of an SS officer, she's been brought up to believe in the Führer's divinely appointed leadership. But the more she comes to know Sophie and her friends, the more she questions the Nazi propaganda. Soon Annalise joins their double life--students by day, resisters by night. And as the stakes increase, they're all forced to confront the deadly consequences meted out to any who dare to oppose the Reich. A gripping testament to courage, *The White Rose Resists* illuminates the sacrifice and conviction of an unlikely group of revolutionaries who refused to remain silent--no matter the cost. Sophie Scholl and her brother Hans were handsome, bright university students in 1942 Germany. As members of the Hitler Youth, they had once been enthusiastic supporters of the German renewal promised by National Socialism. But as their realization of Nazi barbarism grew, so did their moral outrage. Hans and Sophie formed a small group of like-minded friends, which initially included two medical students, a student of philosophy, and a fifty-year-old professor. They self-identified as Christians from various traditions--Protestant, Catholic, and Orthodox--and they called themselves the White Rose. In a darkened studio lent them by an artist, they printed eloquent anti-Nazi leaflets, which they ingeniously spread throughout Germany. *A Noble Treason* tells the true story of this underground group at the University of Munich that instigated, organized, and carried out the first overt resistance to Hitler's regime. What gives *A Noble Treason* its unforgettable and inspiring quality is the personality, character, and courage of the White Rose members, as they resisted the pull of wartime patriotism and overcame their fear of the terrible price they would pay for their dissidence. The story of the White Rose is one

of faith-inspired idealism in deadly conflict with ideological tyranny. Its theme is the ultimate victory of that idealism despite its bloody and seemingly final destruction by the state. This is the gripping story of the five Munich university students who set up an underground resistance movement in World War II, featured in the award-winning Oscar-nominated film, *Sophie Scholl - The Final Days*. This 75th anniversary edition commemorates the 75 years since their arrest & execution in 1943. This updated edition includes a new preface and more photos. Depicts the activities and dedication of the young Munich University students who were executed for printing pamphlets attacking Nazi rule in the spring of 1943. La bataille de Stalingrad venait de se terminer par la défaite des forces allemandes. Apparaissent alors à Munich des affiches où on lisait : « Ont été condamnés à mort pour haute trahison : Christoph Probst, 24 ans, Hans Scholl, 25 ans, Sophie Scholl, 22 ans. La sentence a été exécutée. » Les trois étudiants décapités à la hache étaient, avec trois de leurs compagnons qui seront exécutés plus tard, les animateurs d'un mouvement de résistance, « La Rose Blanche », dont les Munichois avaient pu lire les tracts depuis quelques mois. Inge Scholl, sœur des deux premiers, raconte ici leur histoire : l'enfance en Bavière dans une famille protestante, l'entrée dans la Jeunesse hitlérienne, puis, peu à peu, la découverte de la réalité nazie et, enfin, cette décision déchirante : la résistance contre leur propre pays en guerre. « La vraie grandeur, écrit Inge Scholl, est sans doute dans cet obscur combat où, privés de l'enthousiasme des foules, quelques individus, mettant leur vie en jeu, défendent, absolument seuls, une cause autour d'eux méprisée. » Ces six universitaires ont plus que personne contribué à sauver l'honneur de l'Allemagne. Pascal disait : « Je ne crois que les histoires dont les témoins se feraient égorger. » Nous devons croire celle-ci, entre toutes, aujourd'hui. Traduit de l'allemand par Jacques Delpeyrou, publié par les Éditions de Minuit en 1955. Sommaire : Préface – Printemps 1943 – Tracts de la Rose blanche – Tracts du Mouvement de Résistance – Le dernier tract. The Hungarian artist-designer László Moholy-Nagy, the Austrian sociologist Paul Lazarsfeld, and his fellow Viennese Victor Gruen—an architect and urban planner—made careers in different fields. Yet they shared common socialist politics, Jewish backgrounds, and experience as refugees from the Nazis. This book tells the story of their intellectual migration from Central Europe to the United States, beginning with the collapse of the Habsburg Empire, and moving through the heady years of newly independent social-democratic republics before the descent into fascism. It follows their experience of exile and adaptation in a new country, and culminates with a surprising outcome of socialist thinking: the opening of the first fully enclosed, air-conditioned suburban shopping center in the United States. Although the American culture they encountered ostensibly celebrated entrepreneurial individualism and capitalistic “free enterprise,” Moholy-Nagy, Lazarsfeld, and Gruen arrived at a time of the progressive economic reforms of the New Deal and an extraordinary open-mindedness about social democracy. This period of unprecedented economic experimentation nurtured a business climate that, for the most part, did not stifle the émigrés' socialist idealism but rather channeled it as the source of creative solutions to the practical problems of industrial design, urban planning, and consumer behavior. Based on a vast array of original sources, Malherek interweaves the biographies of these three remarkable personalities and those of their wives, colleagues, and friends with whom they collaborated on innovative projects that would shape the material environment and consumer culture of their adopted home. The result is a narrative of immigration and adaptation that challenges the crude binary of capitalism and socialism with a story of creative economic hybridization. The time has come for Pietism to revitalize Christianity in America. Historian Christopher Gehrz and pastor Mark Pattie argue that the spirit of Pietism, with its emphasis on our walk with Jesus and its vibrant hope for a better future, holds great promise for the church today. Modeled after Philipp Spener's *Pia Desideria*, this concise and winsome volume introduces Pietism to a new generation. "The White Rose (German: die Weiße Rose) was a non-violent, intellectual resistance group in Nazi Germany, consisting of students from the University of Munich and their philosophy professor. The group became known for an anonymous leaflet and graffiti campaign, lasting from June 1942 until February 1943, that called for active opposition to dictator Adolf Hitler's regime. The six most recognized members of the group were arrested by the Gestapo and beheaded in 1943. The text of their sixth leaflet was smuggled by Helmuth James Graf von Moltke out of Germany through Scandinavia to the United Kingdom, and in July 1943 copies of it were dropped over Germany by Allied planes, retitled "The Manifesto of the Students of Munich." Another member, Hans Conrad Leipelt, who helped distribute Leaflet 6 in Hamburg, was executed on January 29, 1945, for his participation. Today, the members of the White Rose are honored in Germany

amongst its greatest heroes, since they opposed the Third Reich in the face of almost certain death."--Wikipedia. THE STORY: In 1942 a group of students of the University of Munich chose to actively protest the atrocities of the Nazi regime and to advocate that Germany lose the war as the only way to overthrow Hitler's regime. Asking for resistance and sabotag For fans of Sorry to Bother You and The Wolf of Wall Street comes a blazing, satirical debut novel about a young man given a shot at stardom as the lone black salesman at a mysterious, cult-like, and wildly successful startup where nothing is as it seems.
