Its just about what you compulsion currently. This **The Wolves Of Midwinter Wolf Gift Chronicles 2 Anne Rice**, as one of the most functioning sellers here will agreed be in the middle of the best options to review.

NATIONAL BESTSELLER • In this spellbinding novel, Lestat, rebel outlaw, addresses the tribe of vampires, telling us the mesmerizing story of how he became prince of the vampire world, and of the formation of the Blood Communion, and how his vision for the Children of the Universe to thrive as one, came to be. Lestat takes us from his ancestral castle in the snow-covered mountains of France to the verdant wilds of lush Louisiana, with its lingering fragrances of magnolias and night jasmine; from the far reaches of the Pacific's untouched islands to the 18th-century city of St. Petersburg and the court of the Empress Catherine. He speaks of his fierce battle of wits and words with the mysterious Rhoshamandes, proud Child of the

Millennia, reviled outcast for his senseless slaughter of the legendary ancient vampire Maharet, avowed enemy of Queen Akasha, who refuses to live in harmony at court and who threatens all Lestat has dreamt of.... NATIONAL BESTSELLER • In this ambitious, rich vampire novel of vision and power, the indomitable vampire hero, Lestat de Lioncourt, returns ... caught up in an urgent and fundamental quest to understand the origins of the Undead and the deeper meanings of existence for both mortals and immortals. "In my dreams, I saw a city fall into the sea . . . And all the world was shaken . . ." Now Lestat, Prince of the vast tribe of the undead, finds himself at war with a strange, ancient, otherworldly form that has somehow taken possession of his immortal body and spirit, and it is through this perilous and profound struggle that we come to be told the hypnotic tale of a great sea power of ancient times: a mysterious heaven on earth situated on a boundless continent in the Atlantic Ocean. As we learn of the mighty, resonant powers and perfections of this lost kingdom of Atalantaya, the lost realms of Atlantis, we come to understand how and why the vampire Lestat, indeed all the vampires, must reckon so many millennia later with the terrifying force of this ageless, all-powerful Atalantaya spirit. An exhilarating novel that deepens Rice's vampire mythology as it brings together the ancient worlds and beings of the Vampire Chronicles and opens up to us a whole new universe of characters, history, storytelling, and legend. In a new and major novel, the creator of fantastic universes of vampires and witches takes us now into the world of Isaiah and Jeremiah, and the destruction of Solomon's Temple, to tell the story of Azriel, Servant of the Bones. He is ghost, genii, demon, angel--pure spirit made visible. He pours his heart out to us as he journeys from an ancient Babylon of royal plottings and religious upheavals to Europe of the Black Death and on to the

modern world. There he finds himself, amidst the towers of Manhattan, in confrontation with his own human origins and the dark forces that have sought to condemn him to a life of evil and destruction. NATIONAL BESTSELLER • The tale of *The Wolf Gift* continues ... It is winter at Nideck Point and for Reuben Golding, now infused with the Wolf Gift, this promises to be a season like no other. Oak fires burn in the stately flickering hearths, and the community organizes its annual celebration of music and pageantry. Reuben is preparing to honor an ancient Midwinter festival with his fellow Morphenkinder—a secret gathering that takes place deep within the verdant recesses of the surrounding forests. However, Reuben is soon distracted by a ghost. Tormented, imploring, and unable to speak, it haunts the halls of the great mansion, drawing him toward a strange netherworld of new spirits, or “ageless ones.” And as the swirl of Nideck’s preparations reaches a fever pitch, they reveal their own dark magical powers. From the iconic, bestselling author of *The Vampire Chronicles*—Ramses the Great, former pharaoh of Egypt, is reawakened by the elixir of life in Edwardian England. Now immortal with his bride-to-be, he is swept up in a fierce and deadly battle of wills and psyches against the once-great Queen Cleopatra. In this mesmerizing, glamorous tale of ancient feuds and modern passions, Ramses has reawakened Cleopatra with the same perilous elixir whose unworldly force brings the dead back to life. But as these ancient rulers defy one another in their quest to understand the powers of the strange elixir, they are haunted by a mysterious presence even older and more powerful than they, a figure drawn forth from the mists of history who possesses spectacular magical potions and tonics eight millennia old. This is a figure who ruled over an ancient kingdom stretching from the once-fertile earth of the Sahara to the far corners of the world, a queen with a supreme knowledge

of the deepest origins of the elixir of life. She may be the only one who can make known to Ramses and Cleopatra the key to their immortality—and the secrets of the miraculous, unknowable, endless expanse of the universe. From the author of the extraordinary Vampire Chronicles comes a huge, hypnotic novel of witchcraft and the occult through four centuries. Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches--a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being. On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and *The Witching Hour* begins. It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery--aware that she has special powers but unaware that she comes from an ancient line of witches--finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and--in passionate alliance--set out to solve the mystery of her past and his unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a château in the France of Louis XIV. An intricate tale of evil unfolds--an evil unleashed in seventeenth-century Scotland, where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn. From the coffee plantations of Port au

Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax. Having completed the two cycles of legend to which she has devoted her career so far, Anne Rice gives us now her most ambitious and courageous book, a novel about the early years of CHRIST THE LORD, based on the Gospels and on the most respected New Testament scholarship. The book's power derives from the passion its author brings to the writing and the way in which she summons up the voice, the presence, the words of Jesus who tells the story. Anne Rice's magnificent Songs of the Seraphim series continues with a lyrical and haunting new novel of angels and assassins set in dark and dangerous worlds — in our time and in centuries past. Toby O'Dare, former government assassin, is summoned by the angel Malchiah to fifteenth-century Rome — the city of Michelangelo and Raphael, of Leo X and the Holy Inquisition — to solve a terrible crime of poisoning and to uncover the secrets of an earthbound restless spirit, a diabolical dybbuk. Toby is plunged into this rich age as a lutist sent to charm and calm this troublesome spirit. In the fullness of the high Italian Renaissance, Toby soon discovers himself in the

midst of dark plots and counterplots, surrounded by a still darker and more dangerous threat as the veil of ecclesiastical terror closes in around him. And as he once again embarks on a powerful journey of atonement, he is reconnected with his own past, with matters light and dark, fierce and tender, with the promise of salvation and with a deeper and richer vision of love.

SOON TO BE A MAJOR TV SHOW, FROM THE NETWORK BEHIND THE WALKING DEAD '[W]hen I found Rice's work I absolutely loved how she took that genre and (...) made [it] feel so contemporary and relevant' Sarah Pinborough, bestselling author of *Behind Her Eyes* '[Rice wrote] in the great tradition of the gothic' Ramsey Campbell, bestselling author of *The Hungry Moon* A Vampire Chronicles novella from the internationally bestselling Anne Rice *A VAMPIRE IN THE ITALIAN AGE OF GOLD*. . . Sixteen years old, Vittorio is the sole survivor of a bizarre and violent massacre at his father's Tuscan palazzo. Escaping to the Florence of Cosimo de Medici, he seeks vengeance and retribution. But though he has been saved from death by a mysterious woman, he finds himself at the mercy of demonic, bloody nightmares, war and political intrigue. And, beyond even these perils, Vittorio faces being torn apart by a dangerous love. Against a backdrop of the wonders - both sacred and profane - of Renaissance Italy, with its art and ferocity, angels and demons, Anne Rice introduces a seductive new character and creates a passionate tragic legend of doomed young love and lost innocence. The hypnotic, deeply seductive novels of Anne Rice have captivated millions of fans around the world. It all began a quarter of a century ago with *Interview with the Vampire*. Now, in one chilling volume, here are the first three classic novels of *The Vampire Chronicles*.

INTERVIEW WITH THE VAMPIRE Witness the confessions of a vampire. A novel of mesmerizing beauty and astonishing force,

it is a story of danger and flight, love and loss, suspense and resolution, and the extraordinary power of the senses. "A magnificent, compulsively readable thriller . . . Anne Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire." -Chicago Tribune **THE VAMPIRE LESTAT** Once an aristocrat from pre-revolutionary France, now a rock star in the decadent 1980s, Lestat rushes through the centuries seeking to fathom the mystery of his existence. His is a mesmerizing story—passionate and thrilling. "Frightening, sensual . . . A psychological, mythological sojourn . . . Anne Rice will live on through the ages of literature. . . . To read her is to become giddy as if spinning through the mind of time." -San Francisco Chronicle **QUEEN OF THE DAMNED** Akasha, the queen of the damned, has risen from a six-thousand-year sleep to let loose the powers of the night. She has a marvelously devious plan to "save" mankind—in this vivid novel of the erotic, electrifying world of the undead. "With *The Queen of the Damned*, Anne Rice has created universes within universes, traveling back in time as far as ancient, pre-pyramidal Egypt and journeying from the frozen mountain peaks of Nepal to the crowded, sweating streets of southern Florida." -Los Angeles Times In her new novel, perennial bestseller Anne Rice fuses her two uniquely seductive strains of narrative -- her Vampire legend and her lore of the Mayfair witches -- to give us a world of classic deep-south luxury and ancestral secrets. Welcome to Blackwood Farm: soaring white columns, spacious drawing rooms, bright, sun-drenched gardens, and a dark strip of the dense Sugar Devil Swamp. This is the world of Quinn Blackwood, a brilliant young man haunted since birth by a mysterious doppelgänger, "Goblin," a spirit from a dream world that Quinn can't escape and that prevents him from belonging

anywhere. When Quinn is made a Vampire, losing all that is rightfully his and gaining an unwanted immortality, his doppelgänger becomes even more vampiric and terrifying than Quinn himself. As the novel moves backwards and forwards in time, from Quinn's boyhood on Blackwood Farm to present day New Orleans, from ancient Athens to 19th-century Naples, Quinn seeks out the legendary Vampire Lestat in the hope of freeing himself from the spectre that draws him inexorably back to Sugar Devil Swamp and the explosive secrets it holds. A story of youth and promise, of loss and the search for love, of secrets and destiny, Blackwood Farm is Anne Rice at her mesmerizing best. Caught up in the politics of the vampire world, psychic Sookie Stackhouse learns that she is as much of a pawn as any ordinary human in this novel in the #1 New York Times bestselling series—the inspiration for the HBO® original series True Blood. With her knack for being in trouble's way, Sookie witnesses the firebombing of Merlotte's, the bar where she works. Since Sam Merlotte is now known to be two-natured, suspicion falls immediately on the anti-shifters in the area. Sookie suspects otherwise, but her attention is divided when she realizes that her lover, Eric Northman, and his "child" Pam are plotting to kill the vampire who is now their master. Gradually, Sookie is drawn into the plot—which is much more complicated than she knows... National bestselling author of APOCALYPSE NEVER skewers progressives for the mishandling of America's faltering cities. Progressives claimed they knew how to solve homelessness, inequality, and crime. But in cities they control, progressives made those problems worse. Michael Shellenberger has lived in the San Francisco Bay Area for thirty years. During that time, he advocated for the decriminalization of drugs, affordable housing, and alternatives to jail and prison. But as homeless encampments spread, and overdose deaths

skyrocketed, Shellenberger decided to take a closer look at the problem. What he discovered shocked him. The problems had grown worse not despite but because of progressive policies. San Francisco and other West Coast cities — Los Angeles, Seattle, Portland — had gone beyond merely tolerating homelessness, drug dealing, and crime to actively enabling them. San Fransicko reveals that the underlying problem isn't a lack of housing or money for social programs. The real problem is an ideology that designates some people, by identity or experience, as victims entitled to destructive behaviors. The result is an undermining of the values that make cities, and civilization itself, possible.

Set in Southern Europe at the end of the Ice Age, *Spirit of the Wolves* follows the visionary young she-wolf Kaala in the Wide Valley as she attempts to bring peace between wolves and humans, for the sake of both species. When some of the Swift River pack resists the attempts at bonding with mankind, Kaala and her closest friends must travel beyond the valley for the first time in their lives in order to find her long-lost mother and bring the Promise of the Wolves to reality. Meanwhile, TaLi, Kaala's faithful human companion, is being ruthlessly pursued by a rejected lover, and Kaala must balance keeping her safe with completing her quest. And with a rival wolf plotting to thwart their plans, Kaala must rely on her loved ones more than ever. But there are many dangers outside of the valley, and the young wolves have much to learn about the world outside their pack. This stunningly detailed journey, seen through the mind of a wolf, details the origins of the relationship between the human race and man's best friend.

King Richard, son of James III lies gravely ill and there are rumours that the king's enemy, the Duchess of Burgundy, is preparing an imminent invasion. The ancient crown of Alfred must be found so King Richard can pass it on to his successor. Is

Simon, Duke of Battersea and friend of the king, next in line to the throne or will the evil werewolf Baron Magnus Rudh succeed in his plot to make his son, Lot, king? To add further complications, Dido Twite, held prisoner by the Baron and the Duchess, does not know the whereabouts of either Simon or the dying king: can she escape in time to find and warn them of the treachery afoot? This adventure with a truly galloping plot and breath-taking situations will delight all fans of Joan Aiken's books Seven stories of passion and love separated by centuries but mysteriously intertwined—this is a tale of horror and beauty, tenderness and sacrifice. An archaeologist who unearths a mysterious artifact, an airman who finds himself far from home, a painter, a ghost, a vampire, and a Viking: the seven stories in this compelling novel all take place on the remote Scandinavian island of Blessed where a curiously powerful plant that resembles a dragon grows. What binds these stories together? What secrets lurk beneath the surface of this idyllic countryside? And what might be powerful enough to break the cycle of midwinterblood? From award-winning author Marcus Sedgwick comes a book about passion and preservation and ultimately an exploration of the bounds of love. This title has Common Core connections. A Publishers Weekly Best Children's Book of 2013 A Kirkus Reviews Best Teen Book of 2013 NAMED A BEST BOOK OF THE YEAR BY THE NEW YORKER AND NPR Through the scrim of fading memory, an elderly woman confronts a lifetime of secrets and betrayal, under the mysterious skies of her island home Off the coast of Georgia, near Savannah, generations have been tempted by strange blue lights in the sky near an island called Lyra. At the height of WWII, impressionable young Elle Ranier leaves New York City to forge a new life together on the island with her new husband, Simon. There they will live for decades, raising a family while

waging a quixotic campaign to find the source of the mysterious blue offshore light—and the elusive minerals rumored to lurk beneath the surface. Fifty years later, Elle looks back at her life on the mysterious island—and at a secret she herself has guarded for decades. As her memory recedes into the mists of Alzheimer's disease, her life seems a tangle of questions: How did her husband's business, now shuttered, survive so long without ever finding the legendary Lyra stones? How did her own life crumble under treatment for depression? And what became of Gabriel—the handsome, raffish other man who came to the island with them and risked everything to follow the lights? Darkly romantic and deeply haunting, *The Stars Are Not Yet Bells* pulls us into a story of the tantalizing, faithless relationship between ourselves and the lives and souls we leave behind. NATIONAL BESTSELLER • “Rice allows [her vampires] to do what they do best: wreak havoc and evoke terror. All while impeccably dressed.” —The Washington Post The vampire world is in crisis ... Old vampires, roused from deep slumber in the earth, are doing the bidding of a Voice commanding that they indiscriminately burn their kin in cities across the globe, from Paris to Mumbai, Hong Kong to San Francisco. Left with little time to spare, a host of familiar characters including Louis de Pointe du Lac, Armand, and even the vampire Lestat, must embark on a journey to discover who—or what—is driving this mysterious being.

The Road to Cana, Anne Rice's second book in her hugely ambitious life of Christ, begins before his baptism in the Jordan and concludes with the miracle at Cana. It is a novel in which we see Jesus, the man, living quietly in Nazareth as he has for many years. He is still known as Yeshua Bar Joseph. And he is enduring a winter of no rain, endless dust and looming trouble in Judea. Legends of a virgin birth have long surrounded Yeshua, yet for decades he has lived no differently than the

others who come to the synagogue on the Sabbath. All who know and love him find themselves waiting for some sign of the path he will eventually take. And at last we see this quiet man emerge from his baptism to confront his destiny—and the Devil. We see what occurs when he takes the water of seven great limestone jars and transforms it into cool red wine; when he is recognized as the anointed one; when he is urged to call all Israel to take up arms against Rome and follow him as the prophets have foretold. Like *Out of Egypt*, the first novel in Anne Rice's series on the life of Christ, *The Road to Cana* is based on the gospels and on the most respected New Testament scholarship. The book's power comes from the profound feeling its author brings to the writing and the subtlety with which she summons up the presence of Jesus. When reporter Reuben Golding arrives at a secluded mansion at the request of the home's mysterious female owner, he doesn't expect this assignment will lead to him being inexplicably attacked—bitten—by a beast shadowed in darkness. This single event prompts a terrifying but seductive transformation that both opens Reuben's eyes to what was previously unseen and unknown, and leads to even more questions. Why was he given this wolf gift? Is its nature good or evil? And is he now all alone in this mysterious new world? NATIONAL BESTSELLER • The tale of *The Wolf Gift* continues ... It is winter at Nideck Point and for Reuben Golding, now infused with the Wolf Gift, this promises to be a season like no other. Oak fires burn in the stately flickering hearths, and the community organizes its annual celebration of music and pageantry. Reuben is preparing to honor an ancient Midwinter festival with his fellow Morphenkinder—a secret gathering that takes place deep within the verdant recesses of the surrounding forests. However, Reuben is soon distracted by a ghost. Tormented, imploring, and

unable to speak, it haunts the halls of the great mansion, drawing him toward a strange netherworld of new spirits, or “ageless ones.” And as the swirl of Nideck’s preparations reaches a fever pitch, they reveal their own dark magical powers. Some might call Princess Anja of Ivermere brave for offering herself up as a bride to Kael the Conqueror, a barbarian warlord who'd won his crown by the bloodied edge of his sword. It was not courage that drove Anja from her magic-wielding family's enchanted palace, however, but a desperate attempt to secure a kingdom of her own-even if she has to kill the Conqueror to do it. She expects pain beneath his brutal touch as she awaits her chance. She expects death if he discovers the truth of her intentions. She didn't expect Kael to reject her and send her back to Ivermere. Raised in the ashes of the Dead Lands, Kael fears nothing-certainly not the beautiful sorceress who arrives at his mountain stronghold. But no matter how painful his need for her, Kael has no use for a bride who would only tolerate his kiss. Yet the more of Anja's secrets he uncovers during their journey to return her home, the more determined he becomes to win the princess's wary heart. And Kael the Conqueror has never been defeated... This print edition also includes BEAUTY IN SPRING by Kati Wilde. The poems in Emily Sun's debut poetry collection *Vociferate* were inspired by diasporic-Asian feminist writers. Like these writers, Emily resists both Eurocentric and patriarchal tropes as she explores the complexities of national and transnational identities, reflects upon the concept of belonging, and questions what it means to be Asian-Australian. An intimate memoir of Anne Rice’s Catholic girlhood, her unmaking as a devout believer, and her return to the Church - what she calls a decision of the heart. Moving from her New Orleans childhood in the 1940s and '50s, with all its religious devotions, through how she slowly lost her belief in

God, Called Out of Darkness also recounts Anne's years in radical Berkeley, where she wrote *Interview with the Vampire* (a lament for her lost faith) and where she came to admire the principles of secular humanists. She writes about loss and alienation (her mother's drinking, the deaths of her young daughter and later, her husband); about the birth of her son, Christopher; and about how, after 38 years as an atheist, she once again came to believe in Christ. Anne Rice makes a spiritual confession that is a celebration: a brilliant, subtle exploration of the journey through life that allows one to answer the call out of darkness. The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write. *Binki Bumble's First Day Out* shows that through exceptional character creation and development, children can identify and address the hazards/pitfalls of day-to-day life. It also teaches parents to address, explain, and discipline, if necessary. This story follows two bumblebee children, brother and sister, going out to play for the first time and experiencing the realities of life. The novel opens on a cold, gray landscape. It is the beginning of December. Oak fires are burning in the stately flickering hearths of Nideck Point. It is Yuletide. For Reuben Golding, now infused with the wolf gift and under the loving tutelage of the Morphenkinder, this

Christmas promises to be like no other ... as he soon becomes aware that the Morphenkinder, steeped in their own rituals, are also celebrating the Midwinter Yuletide festival deep within Nideck forest. When Niquette Delongpre is exposed to a small parasite deep in the swamps outside of New Orleans, she must come to grips with her mysterious and dangerous new powers to battle against a rising evil. In a gripping feat of storytelling, Anne Rice continues the extraordinary Vampire Chronicles that began with the now-classic Interview with the Vampire. For centuries, Lestat—vampire-hero, enchanter, seducer of mortals—has been a courted prince in the dark and flourishing universe of the living dead. Now he is alone. And in his overwhelming need to destroy his doubts and his loneliness, Lestat embarks on the most dangerous enterprise he has undertaken in all the years of his haunted existence. Look for a special preview of Anne Rice's Prince Lestat in the back of the book. The Vampire Chronicles continue in Prince Lestat and the Realms of Atlantis, available for pre-order now. Praise for *The Tale of the Body Thief* "Tinged with mystery, full of drama . . . The story is involving, the twists surprising."—People "Rice is our modern messenger of the occult, whose nicely updated dark-side passion plays twist and turn in true Gothic form."—San Francisco Chronicle "Fast-paced . . . mesmerizing . . . silkenly sensuous . . . No one writing today matches her deftness with the erotic."—The Atlanta Journal-Constitution "Hypnotic . . . masterful."—Cosmopolitan "It's a year since Brianna MacEgan's husband was killed, and she remains coldly obsessed with avenging his death. But Arturo de Manzano is intent on distracting her with his muscled fighter's body-and the ice around her heart is soon in danger of melting"--P. [4] of cover. In a sweeping saga of music and vengeance, the acclaimed author of *The Vampire Chronicles* draws readers into eighteenth-

century Italy, bringing to life the decadence beneath the shimmering surface of Venice, the wild frivolity of Naples, and the magnetic terror of its shadow, Vesuvius. This is the story of the castrati, the exquisite and otherworldly sopranos whose graceful bodies and glorious voices win the adulation of royal courts and grand opera houses throughout Europe. These men are revered as idols—and, at the same time, scorned for all they are not. Praise for Anne Rice and *Cry to Heaven* “Daring and imaginative . . . [Anne] Rice seems like nothing less than a magician: It is a pure and uncanny talent that can give a voice to monsters and angels both.”—The New York Times Book Review “To read Anne Rice is to become giddy as if spinning through the mind of time.”—San Francisco Chronicle “If you surrender and go with her . . . you have surrendered to enchantment, as in a voluptuous dream.”—The Boston Globe “Rice is eerily good at making the impossible seem self-evident.”—Time

In the days before the Civil War, there lived a Louisiana people unique in Southern history. Though descended from African slaves, they were also descended from the French and Spanish who enslaved them. Called the Free People of Color, this dazzling historical novel chronicles the lives of four of them—men and women caught perilously between the worlds of master and slave, privilege and oppression, passion and pain. Christy Carlyle dazzles with the first romance in her enchanting *Love on Holiday* series. Will Hart, the Duke of Ashmore, is everything his father was not: scrupulously honest, forbidding, and apparently joyless. As a duke, he’s a catch, but as a grumpy stick-in-the-mud, no lady knows quite how to catch his eye. When his sisters concoct a plan for him to visit a run-down family property in Cornwall, he reluctantly agrees, hoping it will be a chance for him to rediscover the carefree man he once was. Madeline Ravenwood believes she can do anything she puts her

mind to, including running the gardening business she inherited from her father and being a founding member of the Royal Visit Committee. Hard at work preparing for Princess Beatrice's visit to judge their annual flower show, the appearance of a stern, handsome duke is a distraction Maddie doesn't need. Tasked by the committee to convince the duke to repair his ramshackle manor house in time for the royal visit, he agrees, if she will join him as he explores Cornwall. Spending their days, and nights, together, Will's love for Maddie becomes too strong to ignore. But Maddie knows how different their worlds are and when the burdens of his title reappear, can Will convince her that she's the woman he's been waiting for? After a brutal attack Reuben finds himself changing. His hair is longer, his skin is more sensitive and he can hear things he never could before. Now he must confront the beast within him or lose himself completely

Anne Rice returns to the mesmerizing storytelling that has captivated readers for more than three decades with this new novel — the first book in a new series called "Songs of the Seraphim." Angel Time is a dark, suspenseful novel about angels, reluctant assassins and a journey of redemption. Toby O'Dare — a.k.a. Lucky the Fox — has fallen far from grace. He is a contract killer who carries out violence whenever and wherever he is told, a soulless soul who takes orders from someone he calls "The Right Man." When a mysterious stranger comes into Lucky's nightmarish world and offers him a chance to save lives rather than destroy them, Lucky seizes the opportunity to escape the darkness. He is lifted in (angel) time and carried back through the ages to the primitive and treacherous world of thirteenth-century England, where Jews live an uneasy existence. He begins a journey that leads him from the medieval villages of England to the cities of London and Paris as his quest becomes a story of danger and flight,

loyalty and betrayal, selflessness and love. NATIONAL BESTSELLER • The Vampire Chronicles continue as the great vampire Marius returns. The golden-haired Marius, true Child of the Millennia, once mentor to The Vampire Lestat, always and forever the conscientious foe of the Evil Doer, reveals in his own intense yet intimate voice the secrets of his two-thousand-year existence. Once a proud Senator in Imperial Rome, kidnapped and made a “blood god” by the Druids, Marius becomes the embittered protector of Akasha and Enkil, Queen and King of the vampires, in whom the core of the supernatural race resides. We follow him through his heartbreaking abandonment of the vampire Pandora. Through him we see the fall of pagan Rome to the Emperor Constantine and the horrific sack of the Eternal City itself at the hands of the Visigoths. Bravely, Marius seeks a new civilization in the midst of glittering Constantinople, only to meet with the blood drinker Eudoxia. We see him ultimately returning to his beloved Italy, where after the horrors of the Black Death, he is restored by the beauty of the Renaissance. We see him become a painter living dangerously yet happily among mortals, giving his heart to the great Botticelli, to the bewitching courtesan Bianca, and to the mysterious young apprentice Armand. Moving from Rome to Florence, Venice, and Dresden, and to the English castle of the secret scholarly order of the Talamasca, the novel reaches its dramatic finale in our own time, deep in the jungle where Marius, having told his life story, seeks some measure of justice from the oldest vampires in the world. The gilded adventures of Ramses the Damned, iconic creation of the legendary bestselling author, continue in this breathtakingly suspenseful tale of a titanic supernatural power unleashed on the eve of war. A pharaoh made immortal by a mysterious and powerful elixir, Ramses the Great became counselor and lover to some of

Egypt's greatest and most powerful rulers before he was awakened from centuries of slumber to the mystifying and dazzling world of Edwardian England. Having vanquished foes both human and supernatural, he's found love with the beautiful heiress Julie Stratford, daughter of Lawrence Stratford, the slain archeologist who discovered his tomb. Now, with the outbreak of a world war looming, Ramses and those immortals brought forth from the mists of history by his resurrection will face their greatest test yet. Russian assassins bearing weapons of immense power have assembled under one command: all those who loved Lawrence Stratford must die. From the glowing jewels at their necks comes an incredible supernatural force: the power to bring statues to life. As Ramses and his allies, including the immortal queens Cleopatra and Bektaten, gather together to battle these threats, Ramses reveals that the great weapon may have roots in an ancient Egyptian ritual designed to render pharaohs humble before Osiris, the god of the underworld. The resulting journey will take them across storm-tossed seas and into the forests of northern Russia, where they will confront a terrifying collision of tortured political ambitions and religious fervor held in thrall to a Godlike power. But the true answers they seek will lie beyond the border between life and death, within realms that defy the imagination of even an immortal such as Ramses the Great. In *Ramses the Damned: The Reign of Osiris*, Anne Rice, revered and beloved storyteller ("queen of gothic lit, the maestro of the monstrous and the diva of the devious" --The Philadelphia Inquirer), in collaboration with her son, acclaimed bestselling novelist Christopher Rice ("a magician; a master" --Peter Straub), bring us another thrilling, seductive tale of high adventure, romance, history, and suspense. AN ANCHOR ORIGINAL Collect the adventures of Mignolaverse enigma Lobster Johnson! After years of

captivating fans' imaginations from the pages of Hellboy and B.P.R.D., the pulp-style adventures of Lobster Johnson took the limelight in his own series of comics adventures. From gangsters to Nazis to an army of monkeys, the Lobster faces classic foes in strange new ways. His adventures are now collected for the first time in a hardcover edition, collecting trade volumes *The Burning Hand*, *Satan Smells a Rat*, and *Get the Lobster* and the short story "Lobster Johnson: The Empty Chair" featuring writing by Mike Mignola, John Arcudi and Tonci Zonjic with art by Zonjic, Joe Querido, Sebastián Fiumara, and more! When Ashlar learns that another Taltos has been seen, he is suddenly propelled into the haunting world of the Mayfair family, the New Orleans dynasty of witches forever besieged by ghosts, spirits, and their own dizzying powers. For Ashlar knows this powerful clan is intimately linked to the heritage of the Taltos. In a swirling universe filled with death and life, corruption and innocence, this mesmerizing novel takes us on a wondrous journey back through the centuries to a civilization half-human, of wholly mysterious origin, at odds with mortality and immortality, justice and guilt. It is an enchanted, hypnotic world that could only come from the imagination of Anne Rice . . . Praise for *Taltos* "Taltos is the third book in a series known as the lives of the Mayfair witches. . . Their haunted heritage has brought the family great wealth, which is exercised from a New Orleans manse with Southern gentility; but of course such power cannot escape notice . . . or challenge . . . Rice is a formidable talent. . . [Taltos] is a curious amalgam of gothic, glamour fiction, alternate history, and high soap opera."—The Washington Post Book World "Anne Rice will live on through the ages of literature."—San Francisco Chronicle "An intricate, stunning imagination."—Los Angeles Times Book Review "Spellbinding . . . mythical . . . Anne Rice is a pure

storyteller.”—Cosmopolitan “Beautifully written.”—Kirkus Reivews (starred review) “Her power of invention seems boundless. . . . She has made a masterpiece of the morbid, worthy of Poe's daughter. . . . It is hard to praise sufficiently the originality of Miss Rice.”—The Wall Street Journal In the grand manner of Interview with the Vampire, Anne Rice's new novel moves across time and the continents, from nineteenth-century Vienna to a St. Charles Greek Revival mansion in present-day New Orleans to dazzling capitals of the modern-day world, telling a story of two charismatic figures bound to each other by a passionate commitment to music as a means of rapture, seduction, and liberation.
