**The Golden Lily: Bloodlines Book 2** Dec 19 2022 Sydney would love to go to college, but instead, she's been sent into hiding at a posh boarding school in Palm Springs, California – tasked with protecting Moroi princess Jill Dragomir from assassins who want to throw the Moroi court into civil war. Formerly in disgrace, Sydney is now praised for her loyalty and obedience, and held up as the model of an exemplary Alchemist. But the closer she grows to Jill, Eddie, and especially Adrian, the more she finds herself questioning her age-old Alchemist beliefs, her idea of family, and the sense of what it means to truly belong. Her world becomes even more complicated when magical experiments show Sydney may hold the key to prevent becoming Strigoi – the fiercest vampires, the ones who don't die. But it's her fear of being just that – special, magical, powerful – that scares her more than anything. Equally daunting is her new romance with Brayden, a cute, brainy guy who seems to be her match in every way. Yet, as perfect as he seems, Sydney finds herself being drawn to someone else – someone forbidden to her. When a shocking secret threatens to tear the vampire world apart, Sydney's loyalties are suddenly tested more than ever before. She wonders how she's supposed to strike a balance between the principles and dogmas she's been taught, and what her instincts are now telling her. Should she trust the Alchemists – or her heart?

Richelle Mead. "Brilliant and original, Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end." —School Library Journal For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. To high-born Adelaide, whose wealthy family is forcing her into a loveless marriage, the Glittering Court represents something else: the chance to chart her own destiny, and adventure in an unspoiled, prosperous new land across the sea. After a chance meeting with the dazzling Cedric Thorn, Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies. But her familiarity with upper class life comes with a price: she must hide her identity from her new friends, mysterious refugee Mira and fiery former laundress Tamsin, and most importantly, from Cedric himself—even though she's falling in love with him. Everything begins to crumble when Cedric discovers Adelaide's ruse, and she catches the eye of a powerful young governor, who wants her for a wife. She didn't leave the gilded cage of her old life behind just to become someone else's property. But nothing is as daunting—or as wonderful—as the potent, forbidden attraction simmering between Adelaide and Cedric. One that, if acted on, would make them both outcasts in a wild, dangerous, uncharted world, and possibly lead them to their deaths.
