Webster's New World French Dictionary Nov 19 2022 Chock full of key features, this compact and practical dictionary is ideal for study and travel with over 70,000 entries and 100,000 translations.

Only Forward Jul 15 2022 Michael Marshall Smith's surreal, groundbreaking, and award-winning debut which resonates with wild humour interlaced with dark recollections of an emotional minefield. May we introduce you to Stark. Oh, and by the way -- good luck. Stark is the private investigator who goes to work when Something Happens to you. And when a Something happens it's no good chanting 'go away go away go away' and cowering in a corner, because a Something always comes from your darkest past and won't be beaten until you face it. And that's not easy in a city where reality is twisting and broken, a world in which friends can become enemies in a heartbeat -- and where your most secret fear can become a soul-shredding reality. And the worst of it is, for this nightmare you don't even have to be asleep... Considered a modern classic, and consistently featured in lists of Books To Read Before Your Head Explodes, ONLY FORWARD is a novel you'll never forget.

Rapid Development Jun 14 2022 Corporate and commercial software-development teams all want solutions for one important problem—how to get their high-pressure development schedules under control. In RAPID DEVELOPMENT, author Steve McConnell addresses that concern head-on with overall strategies, specific best practices, and valuable tips that help shrink and control development schedules and keep projects moving. Inside, you'll find: A rapid-development strategy that can be applied to any project and the best practices to make that strategy work Candid discussions of great and not-so-great rapid-development practices—estimation, prototyping, forced overtime, motivation, teamwork, rapid-development languages, risk management, and many others A list of classic mistakes to avoid for rapid-development projects, including creeping requirements, shortchanged quality, and silver-bullet syndrome Case studies that vividly illustrate what can go wrong, what can go right, and how to tell which direction your project is going RAPID DEVELOPMENT is the real-world guide to more efficient applications development.

White Rapids Dec 16 2019 The rise and fall of the small northern Canadian town of White Rapids is told in a graphic novel that weaves together the official history of the town and snapshots of the everyday life of its residents. Original.

Alain Resnais Dec 20 2022 Alain Resnais, director of 'Hiroshima mon amour' (1959) and 'L'Annee dernière à Marienbad' (1961), has transformed the representation of memory, fantasy and desire in modern cinema. This illuminating introduction to his work, extending from his earliest documentaries to the musical films of the last decade, traces the evolving patterns of his filmmaking, its changing reflections on mortality, guilt, chance and human doubt. Exploring questions of the time-image, of trauma, of the senses, this volume sets Resnais' films in the context of important current debates in film theory, and provides a concise account of critical discussions of his work in France and beyond. Yet it also offers a highly personal and detailed engagement with individual images and scenes in Resnais' films. A passionate and partial defence of Resnais' work, old and new, this volume stands apart in its attention to the more tangible and moving pleasures of his films, their pathos, rigour and visual beauty.

Harrap's French and English College Dictionary Oct 06 2021 This flagship dictionary is the last word in reference for advanced learners, college students and teachers, and businesspeople. It has served as the standard work of bilingual reference for more than 60 years. Clementine and the Spring Trip Jan 21 2023 This New York Times bestselling chapter book series has been keeping readers engaged and laughing for more than a decade with over one million copies sold! For Clementine, Spring is a really big deal. Spring is for seeing her apple tree start to grow, for watching her friend Margaret go crazy with cleaning, and for going on the school trips, like this year's trip to Plimoth Plantation. Clementine is ready for Ye Olden Times, but she isn't so sure about surviving lunch there-the fourth graders have strict rules about no eating sounds. If that wasn't enough, Clementine also faces the challenges of learning Olive-language and surviving The Cloud on Bus 7. Hearing the pilgrim lady talk about why she made the long journey from England makes Clementine think about rules. Who makes them, and what do they mean to the people who have to live with them? Today Clementine has to decide which rules are made to be broken.
